**SECTION 1.03 FINDINGS.** It is hereby ascertained, determined and declared that:

A. The Issuer owns, operates and maintains the System and derives and will continue to derive Net Revenues from rates, fees, rentals and other charges made and collected for the services of and with respect to the System. Such Net Revenues are not now pledged or encumbered in any manner except to the payment from such Net Revenues of the Outstanding Parity Bonds.

B. It is necessary and desirable to implement the Refunding for the reasons stated in the Bond Ordinance.

C. The Project is necessary and desirable in order to preserve and protect the public health, safety and welfare of the inhabitants of the Issuer.

D. Section 16T of the Original Resolution provides for the issuance of Additional Parity Obligations under the terms, limitations and conditions provided therein. The Issuer will comply with such terms, limitations and conditions, on or prior to the date of delivery of the Series 2009 Bonds, and is, therefore, legally entitled to issue the Series 2009 Bonds as Additional Parity Obligations within the authorization contained in the Original Resolution.

E. The Series 2009 Bonds shall be payable on a parity and rank equally as to lien on and source and security for payment from the Net Revenues with the Outstanding Parity Bonds.

F. The principal of and interest on the Series 2009 Bonds and all required sinking fund, reserve and other payments shall be payable solely from the Net Revenues as provided herein and in the Original Resolution. Neither the Issuer nor the State of Florida or any political subdivision thereof or governmental authority or body therein shall ever be required to levy ad valorem taxes to pay the principal of and interest on the Series 2009 Bonds or to make any of the sinking fund, reserve or other payments required by this Resolution, the Original Resolution or the Series 2009 Bonds; and the Series 2009 Bonds shall not constitute a lien upon any other property owned by or situated within the corporate territory of the Issuer.

G. The estimated Net Revenues will be sufficient to pay all principal of and interest on the Series 2009 Bonds and the Outstanding Parity Bonds, as the same become due, and to make all sinking fund, reserve or other payments required by this Resolution and the Original Resolution.

H. Because of the current volatility in the municipal bond market, the savings to be realized from an expeditious sale of the Series 2009 Bonds, the unexpected increase in the costs associated with Variable Rate Bonds and the recommendation of the financial advisor to the Issuer, it is in the best interest of the Issuer to approve (1) a negotiated sale of the Series 2009 Bonds upon the terms, conditions and limitations set forth herein and (2) the termination of the Swap as an interest rate hedge for the 2004 Bonds. At the time of execution and delivery of the Swap, the Issuer did not expect to terminate it.

I. The Issuer will receive prior to the sale of the Series 2009 Bonds, disclosure and truth-in-bonding statements as required by Section 218.385, Florida Statutes.

J. The Issuer expects to receive from Moody's, S&P and/or Fitch Ratings, New York, New York, prior to issuance of the Series 2009 Bonds, ratings for the Series 2009 Bonds in one of their or its 3 highest classifications.

K. The Underwriters have represented that they will offer to purchase not exceeding \$57,000,000 aggregate principal amount of the Series 2009 Bonds at the price and the interest rate per annum and upon the remaining terms to be contained in the Purchase Contract.

L. It is necessary and desirable at this time to delegate to the City Manager of the Issuer, the authority to fix the remaining fiscal details for the Series 2009 Bonds on behalf of the Issuer and to execute the Purchase Contract on behalf of the Issuer, subject to the conditions in Section 7.03 of this Resolution.

**SECTION 1.04 RESOLUTION TO CONSTITUTE CONTRACT.** In consideration of the acceptance of the Series 2009 Bonds authorized to be issued hereunder by those who shall hold the same from time to time, this Resolution (including the Bond Ordinance and applicable provisions of the Original Resolution) shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders. The covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Series 2009 Bonds, all of which shall be of equal rank and without preference, priority or distinction of any of the Series 2009 Bonds over any other thereof, except as expressly provided therein and herein.

## ARTICLE II

### **PROJECT AND REFUNDING; DESCRIPTION, DETAILS AND FORM OF BONDS**

**SECTION 2.01 PROJECT AND REFUNDING.** The Project and the Refunding have been authorized by the Bond Ordinance. The cost of the Project and the Refunding, in addition to the items set forth in the plans and specifications for the Project, may include, but need not be limited to, the acquisition of any personal property or fixtures deemed necessary or convenient therefor; engineering, legal and financing expenses; expenses for estimates of costs and of revenues; expenses for plans, specifications, surveys and computer schedules; the fees of fiscal agents, financial advisors or consultants; administrative expenses relating solely to the Project; the capitalization of interest for a reasonable period after the issuance of the Series 2009 Bonds; the creation and establishment of reasonable reserves for debt service on the Series 2009 Bonds; the discount on the sale of the Series 2009 Bonds, if applicable; any professional fees and termination payments related to the Swap; and such other costs and expenses as may be necessary or incidental to the financing herein authorized and the Project, including reimbursement for money advanced for the cost of the Project from other funds to the Issuer, within the period of 60 days prior to the date of adoption of this Resolution.

**SECTION 2.02 AUTHORIZATION OF BONDS.** Subject to the provisions of this Resolution and the Original Resolution, the Bond Ordinance has authorized the issuance of obligations of the Issuer to be known as "Water and Sewer Refunding and Improvement Revenue Bonds, Series 2009," herein sometimes referred to as "Series 2009 Bonds," in the aggregate principal amount of not exceeding \$57,000,000. The actual amount of Series 2009 Bonds sold shall be specified in the Purchase Contract.

**SECTION 2.03 DESCRIPTION OF BONDS.** The Series 2009 Bonds shall be dated, shall be issued in such denominations, shall bear interest at not exceeding the maximum rate authorized by applicable law, payable at such times, shall contain such other series designations if the Series 2009 Bonds are issued in installments and shall mature on such dates and in such years and in such amounts; all as shall be fixed by the Purchase Contract.

The Series 2009 Bonds shall be issued in fully registered form without coupons; shall be issued as current interest paying bonds or as Capital Appreciation Obligations, and as Serial Obligations or Term Obligations, or a combination thereof; shall be payable with respect to both principal and interest at the designated office of the Bond Registrar, or such other bank or banks to be appointed by the Issuer after the delivery of the Series 2009 Bonds; shall be payable in lawful money of the United States of America; and, in the case of current interest paying

bonds, shall bear interest from their date or dates, payable by mail to the Registered Owners at their addresses as they appear on the registration books; provided, however, that at the express written request and expense of any Bondholder of \$1,000,000 or more in principal amount of Series 2009 Bonds, payment shall be made to such Bondholder by wire transfer or other medium acceptable to the Issuer and such Bondholder. If Term Obligations are issued, Amortization Installments therefor shall be fixed in the Purchase Contract. If Capital Appreciation Obligations are issued, Compounded Amounts therefor shall also be fixed in the Purchase Contract.

**SECTION 2.04 BOOK-ENTRY BONDS.** The Series 2009 Bonds shall be issued as book-entry bonds in accordance with the following book-entry procedures of DTC.

The Series 2009 Bonds shall be initially issued in the form of a single, fully-registered bond in the amount of each separate stated maturity of the Series 2009 Bonds. So long as DTC serves as Securities Depository for the Series 2009 Bonds, the registered owner of all Series 2009 Bonds shall be, and each of the Series 2009 Bonds shall be registered in the name of, DTC or its nominee. So long as any Series 2009 Bond is registered in the name of DTC in its capacity as Securities Depository for the Series 2009 Bonds, or its nominee, all payments with respect to the principal or redemption price of, and interest on, such Series 2009 Bond, and all notices with respect to such Series 2009 Bond, shall be made or given, as the case may be, to DTC as may be agreed to by the Issuer and DTC.

Transfers of principal, redemption price and interest payments to DTC participants will be the responsibility of DTC. Transfers of such payments to beneficial owners of Series 2009 Bonds by DTC participants will be the responsibility of such participants, indirect participants and other nominees of such beneficial owners. Payments by the DTC participants to beneficial owners will be governed by standing instructions and customary practices, as is now the case with municipal securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such DTC participant and not of DTC, the Bond Registrar or the Issuer, subject to any statutory and regulatory requirements as may be in effect from time to time.

The Issuer may establish a record date for purposes of notification of and consents from participants of DTC in connection with any amendment or proposed amendment of this Resolution or otherwise.

The Authorized Officer is hereby authorized to enter into such representations and agreements as he or she deems necessary and appropriate in furtherance of the provisions of this Section.

Upon the discontinuance of the services of DTC as Securities Depository for the Series 2009 Bonds, the Issuer may within 90 days thereafter appoint a substitute Securities Depository which, in the opinion of the Issuer, is willing and able to undertake the functions of Securities Depository under this Resolution upon reasonable and customary terms. If no such successor can be found within such period, the Series 2009 Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of a Securities Depository.

In the event that the Series 2009 Bonds shall be no longer restricted to being registered in the registration books kept by the Bond Registrar in the name of a Securities Depository as provided in this Section, the Issuer shall execute and the Bond Registrar shall authenticate and deliver, upon presentation and surrender of the Series 2009 Bonds, bond certificates as requested by the Securities Depository of like aggregate principal amount, maturity and interest rate, in Authorized Denominations, to the identifiable beneficial owners in replacement of such beneficial owners' beneficial ownership interests in the Series 2009 Bonds.

**SECTION 2.05 EXECUTION OF BONDS.** The Series 2009 Bonds shall be executed in the name of the Issuer by its Mayor or Vice Mayor (collectively, the "Mayor"), and the corporate seal of the Issuer or a facsimile thereof shall be affixed thereto or reproduced thereon and attested by its City Clerk or Deputy City Clerk (collectively, the "City Clerk"). The authorized signatures for the Mayor and City Clerk shall be either manual or in facsimile. The Certificate of Authentication of the Bond Registrar shall appear on the Series 2009 Bonds, and no Series 2009 Bonds shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless such certificate shall have been duly executed on such Series 2009 Bond. The authorized signature for the Bond Registrar shall be either manual or in facsimile; provided, however, that at least one of the above signatures, including that of the authorized signature for the Bond Registrar, appearing on the Series 2009 Bonds shall at all times be a manual signature. In case any one or more of the officers who shall have signed or sealed any of the Series 2009 Bonds shall cease to be such officer of the Issuer before the Series 2009 Bonds so signed and sealed shall have been actually sold and delivered, such Series 2009 Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2009 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Series 2009 Bonds shall hold the proper office, although at the date of such Series 2009 Bonds such person may not have held such office or may not have been so authorized.

**SECTION 2.06 NEGOTIABILITY.** The Series 2009 Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State of Florida, and each successive Holder, in accepting any of the Series 2009 Bonds, shall be conclusively deemed to have agreed that such Series 2009 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State of Florida.

**SECTION 2.07 REGISTRATION.** The Bond Registrar shall be responsible for maintaining the books for the registration and transfer of the Series 2009 Bonds in compliance with a written agreement to be executed between the Issuer and the Bond Registrar prior to the delivery date of the Series 2009 Bonds.

Upon surrender to the Bond Registrar for transfer or exchange of any Series 2009 Bond, duly endorsed for transfer or accompanied by an assignment or written authorization for exchange, whichever is applicable, duly executed by the Bondholder or his attorney duly authorized in writing, the Bond Registrar shall deliver in the name of the Bondholder or the transferee or transferees, as the case may be, a new fully registered Series 2009 Bond or Series 2009 Bonds of Authorized Denominations and of the same maturity and interest rate and for the aggregate principal amount which the Bondholder is entitled to receive.

All Series 2009 Bonds presented for transfer, exchange, redemption or payment (if so required by the Issuer or the Bond Registrar) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Issuer or the Bond Registrar, duly executed by the Bondholder or by his duly authorized attorney.

The Bond Registrar or the Issuer may require payment from the Bondholder or transferee of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in connection with any exchange or transfer of the Series 2009 Bonds. Such charges and expenses shall be paid before any new Series 2009 Bond shall be delivered.

Interest on the Series 2009 Bonds shall be paid to the Bondholders whose names appear on the books of the Bond Registrar as of 5:00 p.m. (eastern time) on the Record Date.

New Series 2009 Bonds delivered upon any transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Series 2009 Bonds surrendered, shall be secured by this Resolution and shall be entitled to all of the security and benefits hereof to the same extent as the Series 2009 Bonds surrendered.

The Issuer and the Bond Registrar may treat the Holder as the absolute owner thereof for all purposes, whether or not such

Series 2009 Bond shall be overdue, and shall not be bound by any notice to the contrary.

**SECTION 2.08 NONPRESENTMENT OF BONDS.** In the event any Series 2009 Bonds shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if money sufficient to pay any such Series 2009 Bonds shall have been deposited with the Bond Registrar for the benefit of the Holder thereof, all liability of the Issuer to the Holder thereof for the payment of such Series 2009 Bonds shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Bond Registrar to hold such funds, uninvested or invested in Federal Securities maturing overnight, but in any event without liability for interest thereon, for the benefit of the Holder of such Series 2009 Bonds which shall thereafter be restricted exclusively to such funds for any claim of whatever nature on its part under this Resolution with respect to such Series 2009 Bonds.

Any money so deposited with and held by the Bond Registrar not so applied to the payment of Series 2009 Bonds within one year (or such shorter period as shall prevent escheat to the State of Florida) after the date on which the same shall have become due, shall be repaid by the Bond Registrar to the Issuer, and thereafter Bondholders shall be entitled to look only to the Issuer for payment, and then to the extent of the amount so repaid, and all liability of the Bond Registrar with respect to such money shall thereupon cease, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

**SECTION 2.09 PAYMENT OF BONDS.** The Issuer will duly and timely pay or cause to be paid from the Net Revenues the principal of, redemption premiums, if any, and interest on the Series 2009 Bonds, when due, by transferring money in the required amounts from the applicable Funds and Accounts to the principal office of the paying agent at least one business day prior to the date on which such payments of principal, premium and interest are due.

**SECTION 2.10 DISPOSITION OF BONDS PAID OR REPLACED.** Whenever any Series 2009 Bond shall be delivered to the Bond Registrar for cancellation, upon payment of the principal amount thereof, or for replacement, transfer or exchange, such Series 2009 Bond shall, after cancellation, either be retained by the Bond Registrar for a period of time specified in writing by the Issuer, or at the option of the Issuer, shall be destroyed by the Bond Registrar in accordance with the laws of the State of Florida, and counterparts of a certificate of destruction evidencing such destruction shall be furnished to the Issuer.

**SECTION 2.11 BONDS MUTILATED, DESTROYED, STOLEN OR LOST.** In case any Series 2009 Bond shall become mutilated, or be destroyed,

stolen or lost, the Issuer, acting through the Bond Registrar, may in its discretion issue and deliver a new Series 2009 Bond of like tenor as the Series 2009 Bond so mutilated, destroyed, stolen, or lost, in exchange and substitution for such mutilated Series 2009 Bond, upon surrender and cancellation of such mutilated Series 2009 Bond or in lieu of and substitution for the Series 2009 Bond destroyed, stolen or lost, and upon the Bondholder furnishing proof of his ownership and the loss thereof (if lost, stolen or destroyed) and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying (in advance if so required by the Issuer or the Bond Registrar) such taxes, governmental charges, attorneys fees, printing costs, and other expenses as the Issuer and/or the Bond Registrar may charge and/or incur. All Series 2009 Bonds so surrendered shall be cancelled by the Bond Registrar. If any such Series 2009 Bond shall have matured or will mature within 45 days, instead of issuing a substitute Series 2009 Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Series 2009 Bond be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Series 2009 Bonds issued pursuant to this Section shall constitute original contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2009 Bonds be at any time found by anyone; and such duplicate Series 2009 Bonds shall be entitled to equal and proportionate benefits and rights as to lien, source and security for payment, pursuant to this Resolution from the funds, as hereinafter pledged, to the same extent as all other Series 2009 Bonds issued under this Resolution.

**ARTICLE III**  
**REDEMPTION OF BONDS**

**SECTION 3.01 OPTIONAL REDEMPTION.** The Series 2009 Bonds or any portions thereof shall be subject to redemption at the option of the Issuer, prior to their respective stated dates of maturity, at such times and in such manner as set forth in the Purchase Contract and this Resolution.

**SECTION 3.02 MANDATORY SINKING FUND REDEMPTION.** The Series 2009 Bonds issued as Term Obligations shall be subject to mandatory redemption by operation of the Bond Amortization Account from Amortization Installments, as set forth in the Purchase Contract and in accordance with this Resolution.

For purposes of mandatory redemption from Amortization Installments, each Series 2009 Bond shall be treated as consisting of \$5,000 units of principal totaling the principal amount of such Series 2009 Bond. In the event of any partial optional redemption of Series 2009 Bonds, the amounts of the mandatory redemptions from Amortization Installments shown in the Purchase Contract shall be proportionately reduced as nearly as may be practicable.

**SECTION 3.03. REDEMPTION NOTICES.** Notice (conditional or otherwise) of optional redemption shall, at least 30 days prior to the redemption date, be filed with the Bond Registrar and be mailed, postage prepaid, by the Bond Registrar to all Holders (or DTC or its nominee if DTC or its nominee is the sole Holder of the Series 2009 Bonds) of Series 2009 Bonds to be redeemed at their addresses as they appear of record on the books of the Bond Registrar prior to the date fixed for redemption; provided, however, that failure to mail such notice of redemption to a Holder or any failure by DTC or a DTC participant to give such notice to any Person claiming a beneficial interest in a Series 2009 Bond shall not render ineffective any proceedings for redemption with respect to Series 2009 Bonds held by Holders to whom notice was properly mailed. A conditional notice of optional redemption may be revocable by the Issuer on any date prior to the redemption date. No defect affecting any Series 2009 Bond, whether in the notice of redemption or mailing thereof, shall affect the validity of the redemption proceedings for any other Series 2009 Bonds. Interest shall cease to accrue on any Series 2009 Bond duly called for prior redemption on the redemption date, if payment thereof has been duly provided. The privilege of transfer or exchange of any of the Series 2009 Bonds selected for redemption shall be suspended.

Furthermore, at least 2 business days in advance of mailing the notice of redemption as specified above, the Bond Registrar shall send such notice of redemption by certified mail, overnight

mail/delivery service or telecopy to DTC; and at least 30 days prior to the redemption date, mail such notice of redemption to one or more national information services which disseminate notices of redemption of obligations such as the Series 2009 Bonds; provided, however, that failure to distribute such notice of redemption to such depositories and national information services shall not render ineffective any calling of Series 2009 Bonds for prior redemption.

Each notice of redemption shall state the date of dissemination of such notice; the date of issue of the Series 2009 Bonds; the redemption date; the redemption price; the place or places of redemption (including the name and appropriate address or addresses of the paying agent); the dates of maturity and interest rates borne by the Series 2009 Bonds to be redeemed; the CUSIP number (if any) of the maturity or maturities to be redeemed; and, if less than all of any such maturity, the distinctive certificate numbers of the Series 2009 Bonds of such maturity to be redeemed, and, in the case of Series 2009 Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on such date there will become due and payable on each of such Series 2009 Bonds, the redemption price thereof, or of such specified portion of the principal amount thereof in the case of a Series 2009 Bond to be redeemed in part only, together with interest accrued thereon to the redemption date; and that from and after such redemption date, interest thereon shall cease to accrue, and shall require that such Series 2009 Bonds be then surrendered at the address or addresses of the paying agent specified in the redemption notice. Failure to include in such notice of redemption all of the information specified in this paragraph, shall not render ineffective any proceedings for the redemption of Series 2009 Bonds.

### **BOND PROCEEDS; REDEMPTION OF REFUNDED BONDS**

**SECTION 5.01 APPLICATION OF BOND PROCEEDS.** The proceeds, including accrued interest, capitalized interest and premium, if any, received from the sale of any or all of the Series 2009 Bonds shall be applied by the Issuer simultaneously with their delivery to the purchaser thereof as follows:

A. Accrued and capitalized interest shall be deposited in the Interest Account, created and established by the Original Resolution, and shall be used only for the purpose of paying interest becoming due on the Series 2009 Bonds.

B. A sum which, together with other legally available funds of the Issuer deposited in the Series 2009 Bonds Reserve Subaccount, created and established in Section 6.01 below, on the date of delivery of the Series 2009 Bonds, will equal an amount not exceeding the Reserve Account Requirement, shall be deposited into the Series 2009 Bonds Reserve Subaccount. Such amount shall be set forth in the closing certificates for the Series 2009 Bonds.

C. An amount sufficient to pay the principal and interest due on the redemption date for the Refunded Bonds shall be deposited with the paying agent for the Refunded Bonds.

D. An aggregate amount sufficient to pay the termination fee for applicable portion of the Swap shall be paid to JPMorgan and Morgan Stanley, as their interests may appear.

E. To the extent not paid or reimbursed therefor by the original purchaser of the Series 2009 Bonds, the Issuer shall pay all costs and expenses in connection with the preparation, sale and issuance of the Series 2009 Bonds then delivered, including any professional fees related to the Swap then due and owing.

F. There is hereby established the Series 2009 Bonds Project Fund (the "Project Fund") into which shall be paid the balance of the money remaining after making all the deposits and payments provided in paragraphs A, B, C, D and E above. The Project Fund shall be kept separate and apart from all other funds and accounts of the Issuer, and the money on deposit therein shall be withdrawn, used and applied by the Issuer solely to the payment of the cost of the Project and purposes incidental thereto, as described above and set forth. If for any reason such proceeds or any part thereof are not necessary for or are not applied to the payment of such cost, then the unapplied proceeds shall be deposited by the Issuer into the Sinking Fund. Any funds on deposit in the Project Fund which, in the opinion of the Issuer,

are not immediately necessary for expenditure, as provided above, may be invested in Authorized Investments maturing not later than the date on which such funds will be needed for payment of the costs of the Project. All income derived therefrom shall be deposited in the Project Fund pending completion of the Project, and then in the Sinking Fund. All such proceeds shall be and constitute trust funds for such purposes, and there is hereby created a lien upon such money until so applied in favor of the Holders of the Series 2009 Bonds.

**SECTION 5.02 REDEMPTION OF REFUNDED BONDS.** The redemption of any of the Refunded Bonds, as deemed necessary by the Issuer, shall be set forth in a notice of redemption approved by the City Manager of the Issuer, based upon the advice of the financial advisor to the Issuer, without further action by the Commission.

**SECTION 5.03 SWAP TERMINATION.** The applicable portion of the Swap shall be terminated on or prior to the date or dates of issuance of the Series 2009 Bonds for the Refunding, based upon the advice of the financial advisor to the Issuer, without further action by the Commission.

**ARTICLE VI**  
**ORIGINAL RESOLUTION**

**SECTION 6.01 APPLICATION OF ORIGINAL RESOLUTION.** Except as otherwise provided in this Section, (a) the Series 2009 Bonds shall for all purposes be considered to be Additional Parity Obligations issued under the authority of the Original Resolution and the Bond Ordinance; and (b) shall be entitled to all the protection, security, rights and privileges enjoyed by the Outstanding Parity Bonds.

The Series 2009 Bonds herein authorized shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from and secured by a prior lien upon and pledge of the Net Revenues on a parity with the Outstanding Parity Bonds, as provided in this Resolution, the Bond Ordinance and the Original Resolution. No Holder of any of the Series 2009 Bonds shall ever have the right to compel the exercise of the ad valorem taxing power of the Issuer or taxation in any form on real property therein for payment of the Series 2009 Bonds.

There is hereby created and established a trust fund within the Reserve Account to be known as the Series 2009 Bonds Reserve Subaccount, for the benefit of the Holders of the Series 2009 Bonds. The Series 2009 Bonds Reserve Subaccount shall be funded, secured, replenished, if necessary, and invested in the same manner specified for the Reserve Account by the Original Resolution; provided, however, that the amount on deposit in such Series 2009 Bonds Reserve Subaccount shall not exceed the Reserve Account Requirement, and investment income therein shall be subject to rebate to the extent required by the Code and any valid and applicable rules and regulations promulgated thereunder. Money on deposit in the Series 2009 Bonds Reserve Subaccount shall be used for the same purposes with respect to the Series 2009 Bonds as money on deposit in the balance of the Reserve Account may be used with respect to the Outstanding Parity Bonds, but the holders of the Outstanding Parity Bonds shall have no right to receive payment of principal of, redemption premium, if any, or interest on the Outstanding Parity Bonds from the Series 2009 Bonds Reserve Subaccount, unless the amount of cash and/or Authorized Investments on deposit therein and in the balance of the Reserve Account, together equal, or the face amount of a municipal bond reserve insurance policy or policies, as described below and in the Original Resolution, with respect to both the Series 2009 Bonds and the Outstanding Parity Bonds equals, the Maximum Bond Service Requirement on the Series 2009 Bonds and the Outstanding Parity Bonds; nor shall the Holders of the Series 2009 Bonds have any right to receive payment of principal of, redemption premium, if any, or interest on the Series 2009 Bonds from the balance of the Reserve Account unless such Maximum Bond Service Requirement (as evidenced by cash and/or Authorized

Investments, or such bond reserve insurance) is on deposit in the entire Reserve Account. If the amount of cash and/or Authorized Investments, or such bond reserve insurance, on deposit in the entire Reserve Account equals the Maximum Bond Service Requirement on the Series 2009 Bonds and the Outstanding Parity Bonds, the Series 2009 Bonds Reserve Subaccount and the balance of the Reserve Account shall be available for payment of principal of, redemption premium, if any, or interest on the Outstanding Parity Bonds and the Series 2009 Bonds, equally and ratably, as specified in the Original Resolution.

The Issuer may provide a Reserve Account Policy for the Series 2009 Bonds Reserve Subaccount in accordance with the provisions of Section 16C(5) of the Original Resolution, as long as the amount of such Reserve Account Policy does not exceed the Reserve Account Requirement set forth in this Resolution.

At any time after the issuance of the Bonds, the Issuer may, in its discretion, withdraw the amount of money on deposit in the Series 2009 Bonds Reserve Subaccount and substitute in its place, a Reserve Account Policy as described in the preceding paragraph, in the face amount of such withdrawal, and deposit the surplus money so withdrawn into the Sinking Fund.

## ARTICLE VII

### REMEDIES, TAX COVENANTS AND BOND SALE

**SECTION 7.01 REMEDIES.** Any trustee or any Holder of Series 2009 Bonds issued under the provisions hereof acting for the Holders of all Series 2009 Bonds may by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under the laws of the State of Florida, or granted and contained herein, and may enforce and compel the performance of all duties herein required or by any applicable statutes to be performed by the Issuer or by any officer thereof. Nothing herein, however, shall be construed to grant to any Holder of such Series 2009 Bonds any lien on any property of or within the corporate boundaries of the Issuer, except as provided herein. No Holder of Series 2009 Bonds, however, shall have any right in any manner whatever to affect, disturb or prejudice the security of this Resolution or to enforce any right hereunder except in the manner herein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of Series 2009 Bonds.

**SECTION 7.02 TAX EXEMPTION.** The Issuer at all times while the Series 2009 Bonds and the interest thereon are outstanding will comply with the requirements of the Code to the extent necessary to preserve the exemption from federal income taxation of the interest on the Series 2009 Bonds. The chief financial officer of the Issuer, or his designee, is authorized to make or effect any election, selection, choice, consent, approval or waiver on behalf of the Issuer with respect to the Series 2009 Bonds as the Issuer is required to make or give under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or characterization of the Series 2009 Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties thereon, or making payments in lieu thereof, or obviating such amounts or payments, as determined by such officer, or his designee. Any action of such officer, or his designee, in that regard shall be in writing and signed by the officer, or his designee.

**SECTION 7.03 DELEGATION OF SALE AUTHORITY.** Subject to the following conditions, the City Manager of the Issuer is authorized to execute the Purchase Contract on behalf of the Issuer, and to deliver executed copies to the Underwriters:

A. The Series 2009 Bonds may be sold and issued all at one time or in installments from time to time, using a separate Purchase Contract for each installment.

B. The form and substance of the Purchase Contract shall be approved by the City Manager and general counsel, bond counsel and the financial advisor to the Issuer.

C. The interest rate or rates for the Series 2009 Bonds being sold shall be recommended by the financial advisor to the Issuer as comparable to market interest rates on the date of sale.

D. The Underwriters' spread (composed of the Underwriters' expenses, management fee and takedowns) shall not exceed the amount recommended by the financial advisor to the Issuer for the Series 2009 Bonds sold in accordance with the Purchase Contract.

E. The final maturity of the Series 2009 Bonds shall not be later than December 1, 2036.

F. Prior to award of the Series 2009 Bonds to the Underwriters, the Issuer shall receive from the Underwriters, disclosure and truth-in-bonding statements as required by Section 218.385, Florida Statutes.

G. The Underwriters shall comply with such other conditions as requested by any of the persons described in paragraph B above.

**SECTION 7.04 OFFICIAL STATEMENT.** Underwriters' counsel shall prepare and disseminate an official statement or statements for the Series 2009 Bonds, in substantially the form attached hereto as Exhibit A. The City Manager of the Issuer may certify on behalf of the Issuer that the official statement is "deemed final" for the purposes of compliance with the provisions of Rule 15c2-12, promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

**ARTICLE VIII**  
**MISCELLANEOUS PROVISIONS**

**SECTION 8.01 MODIFICATION OR AMENDMENT.** No adverse material modification or amendment of this Resolution or of any ordinance or resolution amendatory hereof or supplemental hereto may be made without the consent in writing of the Holders of 51% or more in aggregate principal amount of all the Series 2009 Bonds so affected by such modification or amendment; provided, however, that no modification or amendment shall permit a change in the maturity of the Series 2009 Bonds or a reduction in the rate of interest thereon, or in the amount of principal obligation thereof, or affect the promise of the Issuer to pay the principal of and interest on the Series 2009 Bonds as the same shall become due from the Net Revenues, or reduce the percentage of the Holders of the Series 2009 Bonds required to consent to any adverse material modification or amendment hereof without the consent of the Holders of all Series 2009 Bonds.

**SECTION 8.02 SEVERABILITY OF INVALID PROVISIONS.** If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Series 2009 Bonds issued hereunder.

**SECTION 8.03 DEFEASANCE.** If, at any time, the Issuer shall have paid, or shall have made provision for the payment of, the principal, interest and redemption premiums, if any, with respect to the Series 2009 Bonds, or any portion thereof, then, and in that event, the pledge of and lien on the Net Revenues in favor of the applicable Bondholders shall be no longer in effect; provided, however, that under those circumstances if any of the Series 2009 Bonds are to be redeemed prior to their respective stated dates of maturity, and such redemption will be accomplished more than 90 days after such defeasance, the Bond Registrar, within 30 days of such defeasance, will mail to the registered securities depositories and national information services (as described in Section 3.03) and to the Holders of such Series 2009 Bonds at their addresses as they appear on the registration books of the Issuer maintained by the Bond Registrar, and, if applicable, one additional time at least 30 days prior to the redemption date, a notice stating that a deposit in accordance with this Section has been made with the escrow holder and that the Series 2009 Bonds are deemed to have been paid in accordance with this Section, and stating such maturity or redemption date upon which money will be available for the payment of the principal of, redemption premium, if any, and interest on such Series 2009 Bonds; but failure to

give such notice of advance refunding shall not affect any defeasance otherwise in accordance with this Section. For purposes of the preceding sentence, deposit of sufficient cash and/or principal and interest of Federal Securities in irrevocable trust with a banking institution or trust company, for the sole benefit of the applicable Bondholders, to make timely payment of the principal, interest, and redemption premiums, if any, on the outstanding Series 2009 Bonds, shall be considered "provision for payment."

#### **SECTION 8.04 CONTINUING DISCLOSURE.**

**A. Provision of Annual Information; Audited Financial Statements; and Notices of Events.** The Issuer hereby covenants, in accordance with the provisions of Rule 15c2-12, as amended (collectively, the "Rule"), promulgated by the Securities and Exchange Commission (the "SEC") pursuant to the Securities Exchange Act of 1934, to provide or cause to be provided:

(1) to each nationally recognized municipal securities information repository, or to a central information repository, designated from time to time by the SEC (collectively, the "NRMSIR") and to any state information depository for the State of Florida with which filings are required to be made by the Issuer in accordance with the Rule (the "SID"), (a) annual financial information and operating data of the type described under the caption "Annual Information" below for each Fiscal Year ending on or after September 30, 2009, not later than the following May 1, and (b) when and if available, audited financial statements for the Issuer for each such Fiscal Year; and

The Issuer expects that (a) annual financial statements of the Issuer will be prepared and audited, (b) any such audited statements shall be available together with the Annual Information, and (c) the accounting principles to be applied in the preparation of those financial statements shall be generally accepted accounting principles as recommended from time to time by the Governmental Accounting Standards Board. In the event that the audited annual general purpose financial statements of the Issuer are not available by the date on which the Annual Information shall be provided, the Issuer will provide unaudited

financial statements of the Issuer by the date specified and audited financial statements when available.

**B. Annual Information.** Annual Information to be provided by the Issuer shall consist of: (1) the Comprehensive Annual Financial Report of the Issuer for the Fiscal Year; (2) a summary of Revenues and System expenses for the Fiscal Year; (3) the coverage of the Maximum Bond Service Requirement, Cost of Operation and Maintenance and Reserve Account and Renewal and Replacement Fund deposit requirements; and (4) to the extent not set forth in the Comprehensive Annual Financial Report, additional financial information and operating data of the type included with respect to the Issuer in the final official statement prepared in connection with the sale and issuance of the Series 2009 Bonds, including, (a) updates of information set forth in the official statement relating to the number of System customers, water and sewer rates, accounts receivable and estimated uncollectible accounts with respect to the System, (b) a description of any additional debt of the Issuer payable from the Net Revenues, (c) a description of any material litigation which would have been disclosed in the final official statement if such litigation had occurred and been ongoing at the time the final official statement is dated, (d) any other financial information or operating data of the type included in the final official statement which would be material to a Holder or prospective Holder of the Series 2009 Bonds; each presented in a manner consistent with the presentation of such information in the final official statement for the Series 2009 Bonds.

**C. Specified Events.** Specified Events shall include the occurrence of the following events, within the meaning of the Rule, with respect to the Series 2009 Bonds: principal and interest payment delinquencies; non-payment related defaults; unscheduled draws on debt service reserves reflecting financial difficulties; unscheduled draws on credit enhancements reflecting financial difficulties; substitution of credit or liquidity providers, or their failure to perform; adverse tax opinions or events affecting the tax-exempt status of the Series 2009 Bonds; modifications to rights of holders of Series 2009 Bonds; Series 2009 Bond calls; defeasances; release, substitution, or sale of property securing repayment of the Series 2009 Bonds; and rating changes.

Amendments.** The Issuer reserves the right to amend this Resolution as may be necessary or appropriate to achieve its compliance with any applicable federal securities law or rule, to cure any ambiguity, inconsistency or formal defect or omission, and to address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature, or status of the Issuer, or type of business conducted by the Issuer. Any such amendment shall be made only in a manner consistent with the Rule and interpretations thereof by the SEC. Annual Information containing any amended operating data

**E. Remedy for Breach.** The covenants contained herein, as amended, relating to the Issuer's continuing disclosure requirements shall be solely for the benefit of the Holders and beneficial owners from time to time of the Series 2009 Bonds. Holders and beneficial owners, to the extent permitted by law and equity, shall have the right, and shall be limited to the right, upon any breach by the Issuer of the covenants contained in this Section and to the exclusion of any other remedy for that breach, that otherwise would be available, to institute and maintain, or to cause to be instituted and maintained, proceedings at law or in equity to obtain the specific performance by the Issuer of its obligations under this Section. An individual Holder or beneficial owner shall not be entitled to institute or maintain proceedings to challenge the sufficiency of any pertinent filing that is made.

**F. Non-Appropriation.** The performance by the Issuer of its obligations under this Section, relating to the Issuer's continuing disclosure requirements, shall be subject to the availability of funds and their annual appropriation to meet costs the Issuer would be required to incur to perform such obligations.

**G. Termination.** The obligations of the Issuer under this Section, relating to the Issuer's continuing disclosure requirements, shall remain in effect only for such period that the Series 2009 Bonds are outstanding in accordance with their terms and the Issuer remains an obligated person with respect to the Series 2009 Bonds within the meaning of the Rule. The obligation of the Issuer to provide the Annual Information and notices of the events described above shall terminate, if and when the Issuer no longer remains such an obligated person.

**H. Separate Bond Report Not Required.** Additionally, the requirements of this Section do not necessitate the preparation of any separate annual report addressing only the Series 2009 Bonds. These requirements may be met by the filing of a combined bond report or the Issuer's Comprehensive Annual Financial Report; provided, such report includes all of the required information and is available by May 1. Additionally, the Issuer may incorporate any information provided in any prior filing with the NRMSIR or included in any final official statement of the Issuer; provided, such final official statement is filed with the MSRB.

**SECTION 8.05 USE OF FUNDS FOR REFUNDED BONDS.** An allocable portion of the money and investments in the funds and accounts established in the proceedings authorizing the issuance of the Refunded Bonds may be transferred to one or more of the corresponding Funds and Accounts established in this Resolution or the Original Resolution for the Series 2009 Bonds; or at the option of the Issuer, may be used for payment of the Refunded Bonds.

**SECTION 8.07 REPEAL OF INCONSISTENT PROVISIONS.** All resolutions or parts thereof in conflict with this Resolution are hereby repealed to the extent of such conflict.

**SECTION 8.08 EFFECTIVE DATE.** This Resolution shall take effect immediately upon its passage.
