NOTICE:

FOUNDATION AND FINAL SURVEYS

CITY OF WINTER PARK

401 Park Avenue South

Winter Park, Florida

32789-4386

As of April 1, 2005, Foundation Surveys and Final Surveys will be required in the City of Winter Park on all new residential and commercial buildings under construction or permitted after that date as authorized by Section 104.24 of the Winter Park Building Code.

Foundation surveys which show setbacks and height of finished floor will be required at form board or stem wall inspection.

Final surveys showing all improvements, buildings, slabs, drives and walks, etc. with setback dimensions, and finished floor elevation will be required at the final building inspection. Approved plans must be available at final inspection for review with the final survey.
