

Your homeowners insurance probably doesn't cover wiring repairs. But **Home Wiring Repair Service** does.

**Pay \$0
for home
wiring
repairs
up to
\$700**

Home Wiring Repair Service affords you \$700 worth of electrical repairs in your home without the trip charges, service call fees, or any after hour charges. But most of all, you have no out of pocket charges for parts or labor covered under your repair plan. In addition to this, you also receive a 15% discount on any repairs or upgrades you may want that are not covered by your repair plan.

Home Wiring Repair Service brings you comfort, convenience, and peace of mind! You can now rest easy knowing that you are just one phone call away from having one of our licensed and certified technicians assist you with electrical problems in your home!

Enroll Today

Home Wiring Repair Service costs just **\$4.99** conveniently added to your electric bill.

Call **866.548.3419**

With Home Wiring Repair Service, you get up to \$700 of home wiring repairs each year.

Plus you never have to spend time and effort finding a qualified electrician. Just call us and we'll have a reputable, prescreened electrician at your door.

Covered Items:

- Wall-mounted receptacles
