AWARD TIMELINE

Applications will be collected throughout the year. Businesses may apply any time during the fiscal year, but are encouraged to submit their applications as soon as possible to ensure funds are available for commitment.

AWARD REIMBURSEMENT

Reimbursement shall be limited to no more than 50% of the total cost of eligible improvements, not to exceed \$20,000 per storefront. Larger buildings with more than one storefront and/or more than one side visible (on a corner) may be considered for a larger grant on a case by case basis by the City. Any projects totaling less than \$2,500 in qualified improvements are not eligible.

Approved applicants may request on up to 50% of the estimated awarded grant funds, with proof of paid invoice. The remaining grant funds will be paid once the project is complete. Grants are awarded on a first come, first served basis, as long as funding remains available in the program.

The City reserves the right to refuse reimbursements in whole or in part for work that is not completed within 9 months. The City cannot reserve funds indefinitely. Grants may be subject to cancellation if not completed or significant progress has not been made by the completion date. Request for extensions will be considered only if made in writing and progress towards completion has been demonstrated.

Only applicants that have previously applied and been placed on the waiting list prior to beginning any exterior improvement under this program may be eligible for funding.

Multi-Tenant Building: Business tenants in a multi-tenant property may apply to the program as long as the tenant has a clearly definable independent entrance into the storefront that is clearly visible from public rights-of-way (ex. strip-mall tenants). Business tenants in multi-tenant buildings that do not have independent storefronts are not eligible to apply; however, the property owner may still apply if they meet the eligibility requirements. Multi-tenant property owners may still apply if they meet all other eligibility requirements. Property owners will not be able to apply if other tenants in the same property have previously used the program. If no other tenant in the property has utilized the program then the property owner may apply as the applicant and receive up to \$20,000 for the entire property.

COMPETITIVE BIDDING Applicants are required to get two (3) competitive bids for every type of proposed work. Please be advised, applicants are not permitted to use their own business as one of the required bids. The City will match up to 50% of the cost up to \$20,000. All contractors must be insured and licensed by the State of Florida. All construction contracts will be between the applicant and contractor.

APPROVALS

The City has the sole authority to determine eligibility of proposed work and confirmation of completed work. Certain work may be required or precluded as a condition of funding. Participants will be responsible for obtaining necessary regulatory approvals, including any needed by City departments or boards and including, but not limited to, building permits and any other necessary permits. All work must comply with city, state, and federal regulations.
