Welcome to the Winter Park Pool Swim Lessons

Thank you for choosing City of Winter Park's swim lesson program. We are excited to have our qualified instructors teach you or your child how to swim! We are offering private and semi-private for participants of all ages and ability levels. Students will learn basic survival skills such as floating, swimming to the wall, and getting out of the pool. Advance lessons will focus on technique and stamina. Morning classes are available from 8a-12p at this time.

To register for private or semi-private lessons please contact the main pool office **407-643-1650** or visit our pools location to speak with an instructor.

Here are a few guidelines and policies specific to our program:

- Please do not eat within an hour of the class time and it is best for children to use the bathroom prior to class
- Proper swim attire (swim suite, trunks, approved swim diapers, etc.) is required
- Private/Semi-private lessons, payment is paid at location on first day of scheduled lessons (must be schedule 24hrs in advance).
- Lessons will last up to 30 minutes long.
- Due to the cooler temperatures lessons are rescheduled if the air temperatures drop below 65 degrees Fahrenheit. Lesson rescheduling can be done for any reason based on instructors availability.

We are excited to be part of this great experience with you and your child. We trust that you have an encouraging time!

THANK YOU!
