

INSTRUCTOR INFO

JAY GOLDEN

Within the five decades of teaching, I've taught all ages and genders from stark beginners to tour professionals. My son Jeff was a two-time Champion as a Junior and a Club Champion at Winter Park Pines Golf Club. Being selected as a member of the PGA® National Teaching Committee and North Florida Player Development Award are two of my honors of which I'm most proud. I've taught at Winter Pines for 20 years and hope to continue doing so.
