

INSTRUCTOR INFO

JAMES C. NICHOLS

I have been playing golf since the age of 13, which led me to playing on my Horseheads High School golf team (Horseheads, NY). While continuing to improve my game, I then secured a position on the Alfred State College golf team (Alfred, NY). I was also able to caddy for some exceptional players who inspired me to have a passion for learning the game.

One of these amazing players, Jack Lumpkin [1935-2022] – 1995 PGA® National Teacher of the Year award winner and a Top 50 golf teacher in America every year through 2000 – invited me to learn at his Sea Island Performance Center at Sea Island Golf Club (St. Simons Island, Georgia). There, he personally taught me how to teach others the great game of golf. His instruction propelled me to be the best instructor I could be for the past 19 years.
