The City of Winter Park is updating specific elements and adopting a new Comprehensive Plan (Comp Plan), which will replace the adopted 2009 Comp Plan. Two sets of public hearings are scheduled above for citizen input, along with a transmittal hearing to the Florida Department of Economic Opportunity for review. For more information about the Comp Plan, as well as to review the current and draft elements, please visit cityofwinterpark.org/comp-plan.

NOTE: If a person decides to appeal any decision made by the Commission with respect to any matter considered at such meeting or hearing, he/she will need a record of the proceedings, and that, for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. (F.S. 286.0105).

Persons with disabilities needing assistance to participate in any of these proceedings should contact the Planning & Community Development Department at 407-599-3324 at least 48 hours in advance of the meeting.
