Winter Park Police Department Joins ‘Neighbors’ to Provide Users with Real-Time, Local Crime and Safety Information

Neighbors aims to reduce crime in neighborhoods by connecting people, security cameras and law enforcement.

Winter Park Police Department today announced they have joined the [Neighbors by Ring](#) app (iOS/Android). The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.

Download the free Neighbors app on iOS or Android, join your neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from your neighbors and the Ring team.

How It Works

- Download the Neighbors app on iOS and Android
- Opt-in to join your neighborhood.
- Customize the geographic area you want to receive notifications for (users must verify where they are located and cannot participate in other neighborhoods).
- Receive real-time alerts from your neighbors and the Ring team.
- View local crime and safety posts via a live feed or interactive map.
- Share text updates, photos and videos taken on any device, including Ring's home security devices.
- Work with your community to make neighborhoods safer.
- Share video with local law enforcement to help identify suspects

About Neighbors

Neighbors is a neighborhood watch app that provides real-time, local crime and safety information. Download the free Neighbors app on iOS or Android, join your neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from

your neighbors, and the Ring team. Download Neighbors from the App Store or Google Play Store today to join your digital neighborhood watch. For more information visit www.ring.com/neighbors.
