Winter Park Police Department Offers On-Line Reporting

While exploring ways to better serve our community during the COVID-19 pandemic and beyond, the Winter Park Police Department announces the ability for our citizens, businesses and visitors to report a crime that has occurred in the City of Winter Park on-line through our website at wppd.org. This new web application can be used to report non-violent property crimes including vehicle burglary, theft, harassing phone calls, credit card and identity theft frauds, vandalism, and lost property.

Every online report is reviewed and users have the option to file a report for information purposes or to request additional follow up from a police officer. While online reporting is intended to expand the services available to the public, the Winter Park Police Department will always send an officer to anyone who prefers to file their report in person, by calling the non-emergency number at 407-644-1313.

We stress that everyone continue to call 911 and don't use on-line reporting for any in-progress incident or crime.
