Shooting

On Tuesday, March 24, 2026, at 3:47 pm, Winter Park Police officers responded to the 200 block of Overlook Road regarding a call of two people who had been shot. Two adult male victims were found with gunshot wounds, and they were transported to a local hospital for treatment by Winter Park Fire Rescue. The extent of their injuries is still being determined. The suspect vehicle was located in the area, and a vehicle pursuit ensued, ending in the 3800 block of West Lake Mary Boulevard. Two suspects were taken into custody. Preliminary investigation appears to indicate the victims were shot after they confronted two suspects involved in the burglary and theft of tools. This is an active criminal investigation and information may change. More information will be provided at completion of the investigation.
