Winter Park Events Center 2022 Officer involved shooting

On Tuesday February 21, 2023, we received the final report from the State Attorney's Office for the officer involved shooting that occurred at the Winter Park Events Center during February of 2022. The report stated that the Office of the State Attorney has determined that there has been no violation of Florida Law in this case and therefore will not be filing any criminal charges against our officer. Our agency has begun the process of completing an Internal Investigation to determine if any department policies were violated in this case.

We have no further information to release at this time until the Internal Investigation has been completed.
