The City of Winter Park's construction update for Fairbanks Avenue.

October 15, 2012

Project update

Horizontal directional drilling installation of the force mains on Cambridge Blvd. and Salisbury Blvd. began last week. This work will continue next week with installation of the force mains on Killarney Drive to follow in approximately one week.

Maintenance of Traffic (MOT) signs have also been installed within the city right of way. These signs are required by the Florida Department of Transportation (FDOT) and will be installed on each cross road from S. Orlando Ave. (U.S. Highway 17-92) to Cambridge Blvd., to enhance worksite safety.
