**Item B: Parking Study- Informational Only**
Mrs. Stone gave an overview and updated report on the Parking Study.
Mr. Terranova is concerned that parking enforcement may deter customers from shopping on the Avenue. He feels the West Meadow is underutilized and that is should be bricked to be able to use for events and parking. Also pointed out that the St. Margaret Mary’s Church and the CNL parking lots may be an option to ease parking issues.
Mr. George agrees that enforcement will harm business as well. He believes adding other parking options would be the better choice.

Motion made by Joe Terranova, seconded by John Dowd, to adjourn. Motion approved 6-0.

Review and approve the disposal of property located at 300 N. Pennsylvania Avenue

motion | recommendation

Approve the disposal of property within the CRA boundaries pursuant to Chapter 163.380, Florida Statutes, on city-owned property located at 300 N. Pennsylvania Avenue, allowing the CRA Advisory Board to make a recommendation on any proposals to the CRA Agency and the City Commission.

Background

CRA staff has received a request to purchase the city-owned property located at 300 N. Pennsylvania Avenue. A developer is interested in building an office building similar to the one currently under construction at 271 N. Pennsylvania Avenue.

The process to advertise the disposal of this property is found under Chapter 163.380, Florida Statutes, which requires the city to advertise the parcel for redevelopment and consider the proposals prior to the disposal of the property. Since the property is located within the CRA boundaries, consideration of the CRA Advisory Board is the first step in this process.

This property was purchased by the City in 1994 and is indicated in the 1994 original CRA Plan as a business/commercial area. The Future Land Use is Commercial and the zoning on the property is C-3 and PL. The land is currently vacant. The office use proposed is compatible with the intent of the CRA Plan to expand the commercial development along Pennsylvania. The property is approximately .45 acre in size.

This parcel is also noted in the 2007 Memorandum of Understanding between the City and the Hannibal Square Community Land Trust as a parcel of interest. In the MOU, the HSCLT has the right to petition for a Notice of Disposal (NOD) to develop the site at a point of time that would be advantageous to their organization. In an evaluation from the CRA Agency attorney, the MOU does not prohibit the CRA or the City from advertising the property for
redevelopment.

Staff feels that new and continued development of vacant and underdeveloped parcels within the CRA is beneficial to the purpose and mission of the CRA and its residents and business owners. With the economy beginning to improve, the opportunity to create jobs and add to the tax base of the CRA is significant.

Staff intends to acquire an appraised value of the property during the advertised timeframe of the NOD.

A copy of the draft NOD is attached for the Advisory Board’s review.

**alternatives | other considerations**

The CRA Advisory Board may choose to not pursue a NOD at this time.

**fiscal impact**

The Orange County Property Appraiser’s currently has a market value of approximately $395,000 on the site. Confirmation of the value would be done through an appraisal.

**strategic objective**

This redevelopment is consistent with the CRA Plan approved in 1994 and meets the intent of the Plan to expand the business/commercial district of the CRA.
Notice of Intent to Dispose of Property at 300 N. Pennsylvania Avenue, Winter Park, Florida

The City of Winter Park, Florida, intends to dispose of its property at 300 N. Pennsylvania Avenue, Winter Park, Florida, Tax Parcel Identification Number 05-22-30-9400-23-140, also described as Lots 14, 15 and 16, Block 23, Revised Map of the Town of Winter Park, according to the Plat thereof as recorded in Plat Book A, Pages 67 through 72, of the Public Records of Orange County, Florida. The property is zoned O-1 Office District. The City is interested in disposing of this property in return for a commitment to redevelop the site as a commercial use within the Community Redevelopment Area (CRA).

The CRA is obligated to devote such real property only to the uses specified in the Community Redevelopment Plan and demonstrate that the proposed activity will serve to prevent the reoccurrence of slum and blight.

Sealed proposals, 1 original and 5 copies, shall be delivered to the Office of the City Clerk, in City Hall, 401 Park Avenue South, Winter Park, Florida 32789 on or before Monday, November 18, 2013 at 10:00 A.M. or they will not be considered. It is the sole responsibility of the respondent to see that the company or individual’s proposal is in the hands of the City, stamped and dated by personnel in the Clerk’s office before the due date and time indicated herein.

It is the respondent’s responsibility to be sure that all information submitted is correct and complete and that the requirements for the proposal have been met. Failure to do so may cause the proposal to be rejected from consideration. The City reserves the right to accept or reject any or all proposals, in part or in total, as deemed in the best interests of the City. The City accepts no responsibility for any costs incurred during the preparing or presenting of the proposals. All proposals must be submitted in writing; no FAX or telephone proposals will be accepted. ALL PROPOSALS MUST BE MARKED ON THE OUTSIDE OF THE ENVELOPE WITH THE PROPOSAL NAME AND THE TIME AND DATE OF THE OPENING.

This public notice complies with Florida Statutes Section 163.380. Further information is available in the Planning and Community Development Office at City Hall and by calling the Director at 407-599-3665. The notice of the CRA’s ultimate disposition of the subject real property to a specific party, and the terms and conditions of the disposition will be made at a duly noticed public meeting.

Review and approve the disposal of property located at 321 Hannibal Square W.

motion | recommendation

Approve the disposal of property within the CRA boundaries pursuant to Chapter 163.380, Florida Statutes, on city owned property located at 321 Hannibal Square W., allowing the CRA Advisory Board to make a recommendation on any proposals to the CRA Agency and the City Commission.

Background

CRA staff has received a request to purchase the city-owned property located at 321 Hannibal Square West. Property located within the CRA and purchased with CRA funds must go through a defined disposal process. The first step of this process is to advertise a notice of disposal for the property and solicit interested developers to submit proposals for consideration.

This property was purchased by the City in 1991 for $6,250. The 1994 CRA Plan highlights this area as residential but also within the Hannibal Square corridor. A portion of this parcel was incorporated into the development of the Heritage Center, which would mean that the lot configuration may need to be changed to allow for any residential development. The Future Land Use is residential and the zoning is R-1A.

This parcel is also noted in the 2007 Memorandum of Understanding between the City and the Hannibal Square Community Land Trust as a parcel of interest. In the MOU, the HSCLT has the right to petition for a Notice of Disposal (NOD) to develop the site at a point of time that would be advantageous to their organization. In an evaluation from the CRA Agency attorney, the MOU does not prohibit the CRA or the City from advertising the property for redevelopment.

AS with Agenda Item 2A, Staff feels that new and continued development of vacant and underdeveloped parcels within the CRA is beneficial to the purpose and mission of the CRA and its residents and business owners. This parcel is challenging based on its current...
configuration and the overlap of the Heritage Center onto the northern boundary.

Staff intends to acquire an appraised value of the property during the advertised timeframe of the NOD.

A copy of the draft NOD is attached for the Advisory Board’s review.

2014 Strategic Plan

background

Overview:
This informational memo provides an update on the progress of the 2014 CRA Strategic Plan (Plan). Staff determined the need for the Plan due to the age and relativity of the 2007 Strategic Plan. Many of the projects listed in the 2007 Strategic Plan have already been completed.

The planning process for the Plan started earlier this year and will continue throughout 2013. The estimated completion date of the final draft of the Plan is Q1 2014. This memo summarizes the development of the Plan to date.

Outreach:
One of the initial steps in developing the Plan was to create a strengths, weaknesses, opportunities, and threats (SWOT) analyses for the Community Redevelopment Agency. Staff facilitated two workshops of the CRA Advisory Board to create the SWOT analyses. CRA Advisory Board Members were asked to create a “photo tour” of the CRA showcasing locations that were “great” and locations that were “not so great”. Based on the description that each member gave for their photos, the entire Advisory Board created the items listed in the SWOT.

Over the last few months staff has worked with the University of Florida to create a CRA wide survey. The survey will be completed online, and will be broken into residential and business for demographic reasons.

The residential survey is complete and attached; the business survey is nearing completion and will be shared once completed. This survey will provide feedback from the CRA stakeholders on past and possible future projects, programs, and grants.

Next, we’d like to know your opinions about what types of projects, programs, and events the CRA should focus on in the future.

As residents of the area, the City of Winter Park CRA would like your help in determining CRA priorities for the next five years. Since we cannot fund all projects and programs at the same time, we must prioritize certain things over others.

Projects

Below, you’ll find brief descriptions of five potential projects. A series of questions about your opinions of these potential projects follows.

- “17-92 Corridor Streetscape”: This project would enhance the landscaping, sidewalks, lighting, and roadway from Lee Road to Fairbanks Avenue.
- “Fairbanks Avenue Corridor Streetscape”: This project would enhance the landscaping, sidewalks, lighting, and roadway from 17-92 to Park Avenue.
- “Center Street Streetscape”: This project would enhance the landscaping, sidewalks, lighting, and roadway on Center Street, creating a more pedestrian-friendly environment.
- “Build a Cultural Arts Center”: This building would promote culture and arts in Winter Park.
- “Underground Utilities”: This long-term project would include burying the power lines throughout the CRA.

Events
Below, you’ll find brief descriptions of two potential events. A series of questions about your opinions of these potential events follows.

- **“Community Redevelopment Fair”**: Funding for this event would create an annual information fair to let the residents and businesses in the CRA know what projects are underway and what programs the CRA provides.
- **“Music Festival”**: Funding for this event would create an annual music festival in Central Park.

For each of these potential events, please tell us how much of an impact (1 = “low impact” and 5 = “high impact”) the event would have in preserving and improving your neighborhood and nearby commercial areas.
