Appeals and Assistance

"If a person decides to appeal any decision made by the Commission with respect to any matter considered at such meeting or hearing, he/she will need a record of the proceedings, and that, for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based." (F.S. 286.0105)

"Persons with disabilities needing assistance to participate in any of these proceedings should contact the City Clerk’s Office (407-599-3277) at least 48 hours in advance of the meeting."
Meeting Protocol

The protocol described below is used to conduct an orderly meeting of the Keep Winter Park Beautiful and Sustainable Advisory Board. It is the Chair’s option to follow or deviate from these guidelines during any meeting of the Board.

- Agenda item is brought up by Chair;
- Chair recognizes the staff for department input;

- Staff will present the item and state department recommendation if appropriate;

- The staff or Board Chair may recognize the individual or group requesting the action and present the opportunity to address the Board and present the details of their request. This presentation should be brief (3-5 minutes)

- The Chair will recognize the Board members and provide an opportunity for questions from the item sponsor or department staff;

- The Chair will entertain any motion from the Board regarding the agenda item;

- Once the item has been motioned and received a second, the Chair will ask if there is any public comment about the issue. (Public comment comes before the Board discusses the motion.) Public comment will be held to 3 minutes each;

- The public comments are closed by the Chair once all citizens who wish to speak have been given an opportunity;

- The Chair will recognize the Board members for discussion of the motion. Any Board member may address a question to the sponsor, to the department staff or to a citizen if appropriate;

- Once there is no further discussion, or if the Question has been called (debated and voted affirmative), then the Chair will request the Board moves to a vote.

Agenda Item Summary

No Cash? No Problem! -
Guest Speaker: Gabby Lothrop
Marketing the SNAP program as part of a menu of services at a newly established market service desk.

Summary:
The City of Winter Park plans to market the SNAP program as part of a menu of services at a newly established market service desk which will be prominently located at the top of the stairs at the entrance to the interior vendor space at the market. The service desk will advertise a "No Cash, No Problem" program which is intended to serve as a sort of "ATM" for the market. Rather than have an ATM, they will use the same debit card machine to swipe customers’ cards in exchange for shopping tokens. In this case, these tokens will be blue (the SNAP tokens will be silver), and can be accepted by all market vendors. This will serve dual purposes allowing the booth to provide services to all customers, in an attempt to remove some of the shame stigma from people walking up to get tokens and it can help keep more dollars in the market, as some vendors do not take credit cards or have credit minimums. This should serve as a more convenient way to save the sale than asking a customer to leave the market to go to an ATM. The booth operator would charge a $1 token handling fee (significantly lower than the $2-4 typically charged at an ATM). The fee would go to covering the overall swipe fees for the machine, which are a flat 15 cents for EBT transactions, and variable for credit/debit transactions. Additional services at the desk include sales of farmer’s market gift certificates, Farmers Market memorabilia and the distribution of Keep Winter Park Beautiful information.

Background:
With past support from the Winter Park Health Foundation and the USDA, Gather & Grow LLC has acquired approval to serve as the SNAP/EBT service provider for the Audubon Park Monday evening and Winter Park Saturday Farmers Markets. A USDA grant via the Florida Farmers Market Coalition has been secured for the purchase of the EBT equipment, along with three (3) years of service for internet access and processing services. However, funding is required to operate the SNAP/EBT stand at each market, as well as for administrative responsibilities associated with the program. The Audubon Market will be staffed by employees of Gather and Grow, a private firm that operates the market. The City of Winter Park staff have funding to support 50% of the cost of this position for the first year (utilizing surplus funds from the current budget) and plan to fund the position thereafter. This proposal is requesting support for the remaining 50% of those funds so the program can begin in January of 2017 and continue without interruption until the City funding kicks in.

Funding Proposal for SNAP at Winter Park Saturday Farmers Market

**Purpose:** Installation of Electronic Benefits Transfer technology (EBT) for Supplement Nutrition Assistance Program (SNAP) and potential incentives programs at the Winter Park Saturday Farmers Market.

Gather & Grow LLC, The Winter Park Farmers’ Market, in partnership with the Winter Park Health Foundation, Slow Food Orlando, and other community partners are working to expand access to healthy foods and encourage healthier eating and lifestyle habits in the local community. By bringing SNAP/EBT access to the Winter Park Farmers’ Market, these community partners see an opportunity to make a significant and lasting impact in the aforementioned areas. These organizations will work in partnership to establish the framework for a coordinated effort to facilitate healthy eating and nurture good dietary habits. Installing SNAP/EBT access at the Winter Park Farmers’ market is a cornerstone of this coordinated effort.

Federal food nutrition dollars such as the Supplemental Nutrition Assistance Program, SNAP are economic engines for food providers, including local farmers. When EBT technology is provided to farmers and community farmers markets, more of those food dollars stay within the community.

The Winter Park Saturday Farmers Market is located immediately adjacent to a food desert, according to the USDA. Additionally, the Farmers Market location is centrally located for access from other designated food deserts in the Greater Central Florida region.

With support from the Winter Park Health Foundation, Gather & Grow LLC has acquired approval to serve as the SNAP/EBT service provider for the Winter Park Saturday Farmers Market. A grant from the Farmers Market Coalition has been secured for the purchase of the EBT equipment, along with three (3) years of service. Funding will be required for Gather & Grow LLC staff the SNAP/EBT stand at each market, as well as for administrative responsibilities associated with the program.

**A one-year labor budget for the program is as follows:**

- Part-time Employee to Man the SNAP stand at each market: $4,000.00
- Administrative work: $4,500.00

**Annual Total: $8,500.00**
