Appeals and Assistance

"If a person decides to appeal any decision made by the Commission with respect to any matter considered at such meeting or hearing, he/she will need a record of the proceedings, and that, for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based." (F.S. 286.0105)

"Persons with disabilities needing assistance to participate in any of these proceedings should contact the City Clerk's Office (407-599-3277) at least 48 hours in advance of the meeting."
Meeting Protocol

The protocol described below is used to conduct an orderly meeting of the Keep Winter Park Beautiful and Sustainable Advisory Board. It is the Chair's option to follow or deviate from these guidelines during any meeting of the Board.

- Agenda item is brought up by Chair;
- Chair recognizes the staff for department input;

- Staff will present the item and state department recommendation if appropriate;

- The staff or Board Chair may recognize the individual or group requesting the action and present the opportunity to address the Board and present the details of their request. This presentation should be brief (3-5 minutes)

- The Chair will recognize the Board members and provide an opportunity for questions from the item sponsor or department staff;

- The Chair will entertain any motion from the Board regarding the agenda item;

- Once the item has been motioned and received a second, the Chair will ask if there is any public comment about the issue. (Public comment comes before the Board discusses the motion.) Public comment will be held to 3 minutes each;

- The public comments are closed by the Chair once all citizens who wish to speak have been given an opportunity;

- The Chair will recognize the Board members for discussion of the motion. Any Board member may address a question to the sponsor, to the department staff or to a citizen if appropriate;

- Once there is no further discussion, or if the Question has been called (debated and voted affirmative), then the Chair will request the Board moves to a vote.

1. ADMINISTRATIVE ITEMS

   Approval of Minutes
   Ellen W. made a motion to approve June 20, 2017 minutes. Mary D. seconded the motion. Minutes were approved as presented.

   Citizen Comments:
   None.

   Staff Report:
   Staff report was emailed to board members. Kris S. addressed Mary D.’s question regarding any potential local impact of the changes to FSEC review requirement of solar arrays. FSEC will continue to do reviews, as well as third-party engineers, in compliance with state requirements. More detailed information should come out of the SolSmart Workshop being planned for the end of August. Kris S. discussed the change in cost of recycling with WasteManagement, going from $0/ton to $42/ton, and preliminary discussions with the City of Orlando and other Florida cities (e.g., City of Port St. Lucie profiting from recycling with their county facility). Kris S. will look into Port St. Lucie case further. Staff suggested City release some positive press on recycling issue, Kris S. will follow-up with Communications. Ben E. asked for update on Georgetown, Kris S. noted the initial momentum was lost. Mary D. and Ben E. asked for an update on the Central Florida Battle of the Buildings. Staff provided updates on engagement of community members (houses of worship, Rollins College, and businesses) via email and by phone. Board members are asked to contact staff if they have contacts at local churches.
   Kris S. also mentioned that at the end of August the Orlando Utilities Commission board will be deciding the rate structure for the community solar program. More updates should be available at our September meeting, possibly a speaker opportunity. Solar at Water Treatment Facility will be discussed at Monday’s budget meeting.
   Mary D. asked for an update on WastePro tracking system data, WastePro still working on technical issues, Kris S. continues to follow-up.
   Mary D. asked if EnergyStar Portfolio Manager data might be posted somewhere on our website. Staff working on updating building profiles.
Pat S. asked for the Earth Day Event date, which will be April 15, 2018, and that the same event organizer used last year be contacted again for next year’s event. John N. mentioned next Don’t Pitch It, Fix It will be Saturday, November 11th from 1pm to 5pm. Kris S. mentioned that the next Household Hazardous Waste Event will likely be April 21st or 28th. Pat S. asked how many composters were handed out during Earth Day event. Staff reported about 25 and more being sent via word of mouth (Next Door).

2. ACTION
   None

3. INFORMATIONAL
   a. **Green Minute**
      Mary D.-Shared her experience at a local restaurant where the only beverage container was made of Styrofoam. A green/sustainable recognition restaurant program that would help cut down on Styrofoam products, plastic straws, and plastic lids, and encourage “left-over”-less portion sizes was discussed. Staff will continue exploring this type of program. Kris S.-Mentioned that several coastal cities have introduced different bans (e.g., Styrofoam, plastic bags), potential for keeping our lakes clean. Pat S.-Discussed Rollins previous research and challenges with reusable containers return system.
   b. **KWPB – Status Report KWPB&S**
      None
   c. **Sustainability Action Plan**
      a. **Reviewing SAP and assigning roles**
         Ben E. discussed the board updating a previous priority list and assigning roles to each. Vanessa B.C. will send to board members, along with Sustainability Team’s existing calendar of priorities which board members can choose to champion (can be more than one champion per priority). Board to review over the next month.
      b. **Renewables Commitment**
         To be discussed at next meeting.
   d. **Finance**
      Kris S. reviewed KWPB&S budget expenses. Staff will work on creating budget to be review by board after priorities have been discussed.
   e. **Orange County Fertilizer Ordinance**
      Orange County Environmental Protection Division representative Julie Bortles reviewed the Orange County Fertilizer Ordinance Updates effective June 20, 2017. City of Winter Park can adopt a similar ordinance to reinforce county ordinance or more stringent ordinance if desired. Education and outreach campaign in planning stages. Information will be shared with Lakes and Parks & Recreation board staff contacts.

4. NEW BUSINESS
   a. **Agenda Requests/Announcements/Action Items:** Next board meeting will spend most of time reviewing priorities. Board requests an update on Organix. Board also requested if staff could reach out to Port St. Lucie to present on their recycling program via phone, if possible, at next meeting.

5. ADJOURNMENT
a. Action Items

b. Evaluate Meeting
   - What worked:
   - What didn’t work:

Mary D. made a motion to adjourn at 12:59 p.m., seconded by Nora M. Next meeting August 15, 11:45am at City Hall.

Respectfully submitted,

Vanessa A. Balta Cook
Recording Secretary
