Appeals and Assistance
"If a person decides to appeal any decision made by the Commission with respect to any matter considered at such meeting or hearing, he/she will need a record of the proceedings, and that, for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based." (F.S. 286.0105)

"Persons with disabilities needing assistance to participate in any of these proceedings should contact the City Clerk’s Office (407-599-3277) at least 48 hours in advance of the meeting."
Meeting Protocol

The protocol described below is used to conduct an orderly meeting of the Keep Winter Park Beautiful and Sustainable Advisory Board. It is the Chair's option to follow or deviate from these guidelines during any meeting of the Board.

- Agenda item is brought up by Chair;
- Chair recognizes the staff for department input;

- Staff will present the item and state department recommendation if appropriate;

- The staff or Board Chair may recognize the individual or group requesting the action and present the opportunity to address the Board and present the details of their request. This presentation should be brief (3-5 minutes)

- The Chair will recognize the Board members and provide an opportunity for questions from the item sponsor or department staff;

- The Chair will entertain any motion from the Board regarding the agenda item;

- Once the item has been motioned and received a second, the Chair will ask if there is any public comment about the issue. (Public comment comes before the Board discusses the motion.) Public comment will be held to 3 minutes each;

- The public comments are closed by the Chair once all citizens who wish to speak have been given an opportunity;

- The Chair will recognize the Board members for discussion of the motion. Any Board member may address a question to the sponsor, to the department staff or to a citizen if appropriate;

- Once there is no further discussion, or if the Question has been called (debated and voted affirmative), then the Chair will request the Board moves to a vote.

1. ADMINISTRATIVE ITEMS

Approval of Minutes
Ellen W. made a motion to approve March 12, 2018 Workshop and March 20, 2018 Meeting minutes. Mary D. seconded the motion. Minutes were approved as presented.

Citizen Comments:
Jody L. invited the board to participate in the upcoming Don’t Pitch It, Fix It event scheduled for Saturday April 21st from 1-4pm at the WP Public Library. She also mentioned they would be celebrating their volunteer this week as a part of National Volunteer Appreciation Week.

Staff Report:
Staff report was emailed to board members. Staff reviewed ReCollect: Digital Solutions for Waste Management’s online app on the City of Orlando’s Recycling Page (http://www.cityoforlando.net/solidwaste/residential-recycling/). Staff will be meeting with City Management to discuss its potential usage by the City and potential funding sources. Vice Ch. Wolfson suggested the sorting game would be an excellent tool to recommend to local schools. Kris S. also stated that staff has decided to perform the greenhouse gas emissions inventory in-house, Agnieszka T. will be leading this effort. Vanessa B.C. reviewed SolSmart Score Sheet, she will be following up with SolSmart Technical Assistance to see how close we are to go from Silver to Gold. Kris S. discussed solar permitting fees (similar to other permitting fees, based upon a percentage of the cost of the installation) and the potential to take to the commission alternative fee structures (e.g., flat rate, waiver). Staff shared the Track Shack cup-free racing video. At the closing of the meeting, Kris S. mentioned that there will be changes proposed to the landscape ordinance sometime soon, he is working on incorporating requirements for requiring some level of green building certification based upon certain criteria. Will be presenting it to board at a forthcoming meeting.

2. ACTION

a. Motion made by Mary D. for the Keep Winter Park Beautiful Sustainability Advisory Board to recommend to the City Commission adoption of 100% Renewable Energy Commitment, seconded by Stephen P. Motion tabled to May meeting.
3. INFORMATIONAL

a. **Green Minute**
   Mary D. shared that the Orange County East Solar Co-op will be closing April 23rd. FL-SUN will be having one more meeting at First Green Bank on Thursday, April 19th for the East Solar Co-op which will also be the first meeting for the West Solar Co-Op (West of I-4) that is now open. (4/17/18 Vanessa B.C. sent details to e-list.)

b. **KWPB – Status Report KWPB&S**
   *Winter Park Blooms:* Stephen P. reported on the community mini-park workdays being organized by Winter Park Blooms and Parks & Recreation Department. There were 17 volunteers at the Trismen Park workday (3/24). Area was weeded, raked, pruned, and mulched. Two more workdays are scheduled: Saturday April 27th at Lasbury/Maiden Mini-Park and Saturday May 19th at Alberta/Courtland Mini-Park, 8:30am to 11:30am. Mary D. mentioned that the Winter Park Garden Club is working on Pulsifer Park triangle. Stephen P. invited the board to the upcoming Volunteer Appreciation Event, scheduled for Thursday, April 26th from 6-8pm at the WP Country Club. Board members RSVPed.

c. **Sustainability Action Plan**
   None.

d. **Finance**
   None.

e. **Earth Day**
   The board provided feedback on 2017 Earth Day, Vanessa B.C. recorded all of the board’s comments/suggestions (e.g., for next year recyclable cups, better fencing around bike rodeo, drinking station first tent next to filling station, signage to EV display, WastePro presence, manned centralized waste collection area, recyclable/compostable lunches for volunteers and food giveaways, no paper flyers, use your phone, digital packet, different date-not the day after Dinner on the Avenue, bike valet closer to rest of booths (very few users), move vendors so they are not right next to speakers, content: Green House Gas Emissions Inventory, Green School Grant Winners, America In Bloom/Beautification, Energy Consumption Reduction).

f. **Renewables Commitment**
   Mary D. led discussion. Deidre Macnab will be providing a presentation on solar to the City Commission on Monday, April 23rd, Mary D. reviewed the slideshow with the Board. Presentation highlights benefits of increasing solar: economic-jobs, environmental-water, air, voter popularity, etc.; and recommended next steps (e.g., KWPB&S advisory board commit to 100%). Mary D. introduced motion to recommend to the City Commission adoption of 100% renewables energy commitment, board discussion ended with suggestion to table to May meeting and request for Kris S. to provide numbers he has been working with Jerry on regarding going 100% renewable.
