2019 Proposal for City of Winter Park
Yoga on the Ave

• In 2018, we spent almost our entire community outreach budget on our park permit for our free weekly community yoga class. We would love to find a solution to continue this series for our community.

• Our headcount has grown immensely over the year. This increase in attendees has caused our permit price to increase. We can no longer afford our permit and we know our headcount for this class will grow in 2019. We believe this class offers a quality hour long connection piece for our city which unites our diverse community of people.

• Page 4 gives a breakdown of all the costs that go into building this yoga series every week beyond our park permit expense.

• We would love to shift this event from being lululemon sponsored in 2018, into becoming a City of Winter Park free weekly yoga class series in Central Park for 2019.

• We will take all responsibilities in managing a weekly curated yoga class for the city of Winter Park to promote city health and diverse connection.

WHO WE ARE

Key Club is an international high school organization dedicated to providing members with opportunities to serve, build character, and develop leadership. Trinity Preparatory School’s Key Club is comprised of over 130 passionate high school students devoted to serving the community.

OUR GOAL

We aim to install a free library in Ward Park in the hopes of promoting education through reading within the Winter Park community.

HOW IT WILL WORK

○ The free library will begin with a minimum of 20 books from varying genres.
  ○ 5 elementary level books
  ○ 5 middle school level books
  ○ 5 young adult literature books
  ○ 2 books in Spanish
  ○ 3 adult books such (e.g. cooking, self help)
○ “Give a book. Get a book”
  ○ Community members can exchange books or simply donate to the free library.
  ○ Since the free library will cater to people of varying ages, there will also be a sign asking participants to keep books appropriate.
  ○ People will be able to use books while spending time at the park without putting a book into the library.
○ TPS Key Club students will check in on the free library monthly to replenish supply and ensure the structure is in good condition.

SIGNS (to be mounted on free library)

This free library caters to various ages. Please keep books appropriate! Thank you.

**BENEFITS OF A FREE LIBRARY**

- **Convenience**: Our books will be readily available to the community especially to those who may not use the library frequently.
- **Promotes education**: The installation of the free library will foster a more positive image of Winter Park as a proponent of education.
- **Provides resources**: Since the books are free, the little free library will be a resource for surrounding communities.
- **Establishes a relationship**: Our club hopes to establish a relationship with the park where we can host events (e.g. story time), park clean ups, annual fix ups of the free library, etc.

**FINANCES** *(to be paid for entirely by TPS Key Club)*
