NEW BUSINESS

- Guest speaker Robert Earll, Chalk Festival.

Parks and Recreation Director John Holland introduced Mr. Robert Earll, Art Instructor, with the Orangewood Christian School. Mr. Earll provided the members of the Board with an extensive overview of Chalk Festival. He explained that the Festival is typically a one day event that normally takes place in either the spring or fall. He stated that the Festival helps to promote art in the community in that the community is able to experience the creation of art. Further, the student artists learn team building skills and are exposed to professional artists. For middle school students, he said that the more they participate, the better they become. He said that they only propose one day as it cuts down on expenses and time wasting. He said that awards are presented at the end of the event. Mr. Earll responded to Board member questions.

Mr. Holland explained that they are seeking the blessing of the Board to move forward with the idea; and further the item is on the next Parks Board agenda for discussion at their next meeting. Mr. Holland noted that he will provide updates to Ms. Hayes as plans progress.

The Board members present expressed support of the festival.

- Art in Transit budget update

Ms. Clanton provided the Board members with an update. She stated that a presentation was made the City Commission on 8/12. She provided insight into the discussion that occurred at the meeting. She said that they now have the support needed for the project to move forward including funding of the entire \$19,000. Fabrication will begin in December and will be ready to install in January.

Ms. Clanton left the meeting at 5:25 p.m.

- Art on the Green 2014 advance planning

Senior Planner Lindsey Hayes provided the Board members with an update. She explained that she has received the Curator's bio and that she is currently updating the call for entries to include a blurb about the PAAB, what shows the artwork has been in, a minimum size and also an increase in the stipend. She said that an updated draft will be presented to the Board at another meeting.
