NEW BUSINESS

1. Staff Updates

Ms. Hayes provided an update on the Art in Transit project. She stated that the ribbon cutting for the new train station is scheduled for March 3rd, but the art work cannot be installed prior to that. She noted that she does not have a date of when the old station will be demolished. She also noted that the Artist Diane Boswell has been working with the company in Canada to ensure the right shade of blue. Art installation is anticipated for May. However, that depends on Amtrack's schedule.

2. Art on the Green 2014.

Ms. Hayes distributed communications schedule to the members of the Board. The members of the Board discussed the insert for the September mail-out, catalog, and the distribution of the press kits.

No action was taken on any of these items.

Date of Next Regular Meeting: Monday, March 17, 2014, at 4:30 p.m.

Respectfully submitted,

Lisa M. Smith
