NEW BUSINESS

Ms. Hayes noted that since there is not a quorum, no decisions could be made at today's meeting. The Board members did discuss their concerns relating to the upcoming Pink Out event. They expressed their concerns with regard to the distance they felt the flamingos should be from artwork. They requested that staff reach out to the Parks and Recreation Board with the request that the flamingos be a distance of at least 40 feet from the artwork. The peacock sculpture project has raised \$21,000 towards their goal of \$50,000. The Board brainstormed ideas to promote the "Tree Whisperer" project.
