3. Non-Action

1) Staff Update:

   a) 650 North New York Avenue- First Church of Christ, Scientists

   605 North New York Avenue – First Church of Christ, Scientists
   City Architect, Brooks Weiss, provided the update. He reiterated that Condev LLC has purchased a portion of the Church and the demolition date is now set for January 6, 2018. Mr. Weiss has an appointment on November 9th to photograph the church. He stated that he has been in talks with Frank Rourke and it has been confirmed that the house can be moved. Mr. Weiss also stated that there is one private citizen that is interested in that endeavor and that the building would become a public multi-function facility if/when moved. Lastly he noted
that research was still being done for funding to move the church, either by private citizen or the City.

There was discussion amongst Staff and the Board regarding what facets of the structure are remarkable, are those features enough to make the structure worth saving, how much moving the building would cost and presenting these items to the City Commission. Lastly, the Board stated that in their opinion the front of the structure was remarkable as well as the windows. Mr. Weiss indicated that he would find out if the windows could be removed and preserved.

Staff will provide more details as they become available.

b) 404 West Lyman Avenue

Mr. Weiss provided the update. He explained that Contractor, Dan Bellows, has purchased the site and is the Community Land Trust of Hannibal Square on preserving and possibly moving the property. Staff and the Board further discussed the topic of historic preservation in the Hannibal Square District. Staff will provide more details as they become available.

2) Proposed resolution by Board Member Phil Wood –

The discussion from the October meeting related to how the Historic Preservation Board reviewed requests for funds continued. Board Member, Phil Wood, provided Staff and the other board members with updated verbiage to his resolution "All requests for monetary or financial grants or participation that involves funds provided to the HPB from the City Commission for the purpose of assisting the public with historic renovation projects, are to be first reviewed and approved by the Historic Preservation Board.", with a document outlining basic application guidelines for funding requests for the Board to review and consider when reviewing fund requests (document attached at end of minutes). Staff and the Board discussed the application process for funding, the funds amounts and types of grants that are available to citizens wanting to designate and renovate their homes and the RFP/RFQ process for contractors. Further discussion ensued.

The Board made an action to review all grant requests going forward. The action was approved unanimously with a 7-0 vote.

3) Changes to the current Ordinance No. 3024-15- Formal Motions from the HPB Members for specific additions and/or changes to the Ordinance should be brought forward for discussion.

Staff and the Board discussed how amendment requests to Ordinance No. 3024-15 should be presented. It was suggested that board members wanting to make changes or additions to the ordinance contact Mr. Weiss for discussion and having the item(s) listed on the next month’s agenda for board review.

4. Adjournment.

There was no further business. The meeting adjourned at 10:37 a.m.

The next Historic Preservation Board meeting will be held Wednesday, December 13, 2017 at 9:00 a.m.

Respectfully submitted,
Kim Breland
Recording Secretary
