Public Safety Complex-Beary Room
500 N. Virginia Avenue
Winter Park, FL**

August 3, 2018

KWPB&S Members Present: David Daly (by phone), Mary Dipboye, Ben Ellis (chair), Bruce Thomas, Ellen Wolfson (vice chair)

UAB Members Present: Paul Conway, Lawrie Platt Hall, Richard James, Jennifer W. Lyons, Karim Arja

Members Absent: Nora Miller, Stephen Pategas; Rick Baldocchi, Hugh James, Jack Miles

Guests: Chris Castro, Director of Sustainability - Green Works Orlando; Todd Weaver, Resident

City of Winter Park Staff: Kris Stenger, Asst. Director, Building, Permitting & Sustainability; Dan D'Alessandro, Director of WP Electric Utility; David Zusi, Director of WP Water & Wastewater Utilities; Vanessa A. Balta Cook, Sustainability and Permitting Planner; and John Nico, Sustainability & Permitting Assistant.

Ben E. and Kris S. began the meeting at 12:02 p.m. providing an overview of the board's interest in learning more about the City of Orlando's Journey to 100% Renewable Commitment. Chris Castro led the remainder of the discussion.

Chris C. presentation included discussion of Green Works Orlando's goals, what the city is currently doing to increase municipal energy efficiency (e.g., LEED Silver requirement for all new city-owned buildings, retrofits using municipal EE bond, Building Benchmarking, Energy Audits & Transparency Policy), SolSmart Gold designation, NREL Solar Energy Innovation Network-roadmap to 100%RE, on-site solar PV, community solar, collective solar, and solar energy procurement.
