action items

Shoreline Permit Applications:
SAP 16-07, request of Michael Abufaris, to build a boathouse/dock at 1510 Alabama Dr. on Lake Maitland.
Mr. Egan provided details of this request, explaining that due to irregular lot lines a variance was issued for the side yard setback, due to shoreline erosion and the position of a large cypress tree a variance was issued for the total length, and for additional area to accommodate the increased length a variance was issued. Staff is recommending approval.
Upon questioning by Board members, discussion ensued regarding the process for issuing variances. Motion made by Mr. Bedine that the Lakes Board not vote since the Board of Adjustment has already issued the variances and no action can be taken by the Lakes Board, motion failed for lack of a second. Motion made by Mr. Moorhead to affirm the action of the Board of Adjustment and acknowledge that the shoreline currently meets vegetation standards, seconded by Ms. Miller, discussion continued regarding the variance process, motion failed with a 3-3 vote. (1 abstention.)

Motion made by Mr. Bedine that applications requiring a variance come before the Lakes Board for review before going to the Board of Adjustments, after clarification by Mr. Egan, Mr. Bedine withdrew his motion.

**SAP 16-08, request of The James W. Heavener Dynasty Trust, to build a boathouse/dock at 850 Via Lugano on Lake Maitland.**
Mr. Egan provided details of this request, all criteria meet code and staff is recommending approval. Motion made by Mr. Bedine to approve the application, seconded by Mr. Moorhead, motion carried unanimously 7-0.
