NEW BUSINESS

1. Staff Updates

Ms. Hayes stated that Artist Sara Ali opening reception was held on April 30, and that it was very well attended. The peacock fountain was presented to the City Commission on 4/28 and approval was granted to move forward with fundraising. Mrs. Cegalis noted that the fundraising effort for the peacock sculpture has reached their goal for their deposit.

ACTION ITEM - Rose Garden sculpture and fountain

Ms. Hayes noted that a total of seven submittals for Art on the Green were received by the deadline.

The Board members reviewed each submission and provided feedback. After thoughtful review of each submission and a considerable amount of discussion, consensus of the Board was to postpone the 2014 Art on the Green exhibit due to the lack of selection, the desire to display works of art from artists that have not shown repeatedly, and the desire to focus on a more a long-term project. Members reiterated that the goal of the Board is to present thoughtful public art projects.

Motion made by Mrs. Clanton, seconded by Mrs. Hartnett to table Art on the Green 2014 exhibition due to limited submissions and look to initiate it again in the future. Motion carried unanimously.

Ms. Hayes stated that the submissions that have been received will be returned to the artists with a letter of explanation.
