The work session was called to order by Chairman, David Erne, at 8:40 a.m.

Present: David Erne, Scott Redmon, Jean Siegfried, Tom Hiles, and Elisabeth Dang
Absent: Susan Pins, Terry Bangs, and Jill Hamilton Buss

City of Winter Park Staff: Lindsey Hayes, Planning Dept.; Butch Margraf, Public Works Dept.; and Debra Moore, Public Works Dept.

The purpose of the work session is to discuss and prepare the Pedestrian and Bicycle Circulation Plan for public presentation.

After a time of discussion, the Board members agreed to the following:

1. Feedback from other City Boards. We need to consult with other City Boards to get their input. Boards to be consulted may include Parks and Recreation, Keep Winter Park Beautiful/Sustainability, Economic Development, and Planning and Zoning.

2. Prepare a one-time presentation of Pedestrian/Bicycle Plan for the City Commission.

Suggestions were made regarding what to include in the presentation.

1. The Mission of the Pedestrian/Bicycle Board
2. Updated Pedestrian and Bicycle Circulation Plan
3. Connectivity within the city and outside the city
4. Top commercial core areas which may include: Downtown, Sunrail, Winter Park Village, Aloma Corners, Winter Park Hospital, Ravaudage, Whole Foods Development, Maitland/Eatonville
5. Top park core areas which may include: Central Park, MLK Park, Lake Baldwin Park and Trail, Mead Botanical Gardens, Ward Park/Cady Way Trail, Phelps Park, Azalea Park/Tennis Center
6. Top 5-10 projects
7. Overview of Bicycle Wayfinding and Bike Share
8. Identify funding monies available for projects (state, federal and local)

Visuals can be prepared and may include a Powerpoint presentation, an updated project list (Elisabeth Dang to prepare), and updated maps. After all updates have been made and the plan is finalized, a date will be requested to present the plan before the City Commission.

ADJOURNMENT

Chm. Erne adjourned the meeting at 10:40 a.m.

Respectfully submitted,

Debra Moore, Staff Assistant
