I. ADMINISTRATIVE ITEMS
Call to Order: Chm. Erne called the meeting to order at 8:30 a.m.

Approval of Minutes
Chm. Erne asked for approval of the October 11, 2016 minutes. Mr. Barley moved to approve the minutes; Mr. McFarland seconded the motion. Motion carried unanimously with a vote of 6-0.

Gabrielle Feulner, reThink Your Commute, announced two activities:
- December 9, 8 – 9:15 am – Good Morning Winter Park – presents “Coffee and Commuting” at the Winter Park Welcome Center. A panel of transportation experts will speak and a complimentary breakfast will be available.
- December 12-16, 2016 – Winter Park Commute Challenge. The focus will be on the community.

Chairman’s Report – David Erne
- Chm. Erne would like to schedule the Bike to Work Day event. It was suggested to set the date for March 8, 2016 with March 9, 2016 as the back-up day. A sub-committee will be formed.

Staff’s Report – Butch Margraf – See the Project Updates dated November 8, 2016
Mr. Margraf thanked all Board Members for their participation in the Comprehensive Plan.
- Review of ongoing projects--St. Andrew’s Trail and Denning Drive.
- Bike Share. A sub-committee was suggested for bike share.
- Lee Road Extension. The roadway is open. Whole Foods has its grand opening November 9. There is a Grand opening for a portion of the Shingle Creek Trail in Kissimmee on November 10, 2016.

A. Mission Statement – After discussion the following mission statement was agreed upon.

MOTION
A motion was made by Chm. Erne; seconded by Ms. Hamilton Buss and carried unanimously with a vote of 6-0 to adopt the Mission Statement for the Transportation Advisory Board as follows: Mission Statement: To seek and advise on programs, projects and safety concerns through solutions and recommendations designed to support and sustain all facets of transportation throughout our City.
B. Topics and Projects for Board Consideration

1792 Master Plan PD&E update. Mr. Margraf reported VHB has the contract with FDOT and they are conducting the PD&E update.

Mr. Margraf stated Metroplan covers many different agencies. All the agencies have projects and those projects get ranked. In the future as projects are presented, it was suggested to consider “is the project ready to go?” “is the project shovel ready?”

Mr. Margraf stated last year we submitted the church trail and the intersection improvement at Fairbanks and 17/92 for funding through Metroplan. The City purchased the bowling alley property and will carve off 20 feet so the Fairbanks lanes can be extended to the east.

Cycle Track update (Cady Way Trail). Mr. Margraf stated the cycle track was developed to encourage more children to bike or walk to school. Some of the vertical markers need to be replaced or repaired from time to time. No crashes or accidents have occurred. Ms. Hamilton Buss can get the number of users and report back to the Board.

Discretionary Funds. We do have some discretionary funds which can be used to get some small projects done. Mr. Margraf reported the Board can make recommendations as to how the money will be spent.

Mr. Margraf will circulate an aerial of the project behind the Presbyterian Church. He will send a slide presentation that Mr. Geller put together with all of the facilities in that area around the hospital, Ward Park, and including the church trail.

C. Sidewalk Policy. This policy needs to be updated.

D. Bike Parking Ordinance. This policy needs to be updated. Mr. Margraf will go through it, make the mark-ups and bring it back for the board members to review.

It was suggested that it be mandatory that the commercial sidewalks be made wider. Mr. Margraf stated that can be addressed in the sidewalk policy. It was also suggested there be a buffer between the sidewalk and the street.

Agenda suggestions for next meeting:
1. Mobility Plan
2. Formally approve the Bike to Work date
3. Prioritize projects on list and have plan to implement them (action item)
4. Discretionary funds
5. Sidewalk Policy
6. Bike Parking Ordinance

II. ADJOURN
Chm. Erne adjourned the meeting at 10 a.m. Next meeting is December 13, 2016 at 8:30 a.m., Public Safety Building, Chief Raymond E. Beary Community Room (2nd floor) at 500 N. Virginia Avenue.

Respectfully submitted,

Debra Moore, Staff Assistant
