- Duke’s rates expected to decrease by $.16 January 1.
- Expected a Jan 1, decrease in Winter Park rates due to reduction in F/A.
- Seminole Wholesale Invoice not received as of 12/08/14
- We expect over-recovery of fuel adjustment in November.
- Preparation of January – March fuel adjustment is underway.

Fairbanks Update
- Duke is incorporating Winter Park’s comments in hopefully the last draft of the Duke – Winter Pak Agreement for design and construction of distribution portion.
- Duke final review of Winter Park 100% is underway.
- FDOT is incorporating Winter Park’s final comments into JPA
- Duke has been slow to complete its JPA with FDOT for transmission portion.
- Subject to completion of Duke – FDOT JPA, we will take agreement to City Commission for review and action (hopefully January).

Communications Report
Ms. Howard reported that the City received press coverage on the CRA Façade Improvement Program, a program that provides $5,000 to improve the appearance of a business’s exterior. She updated the Board on articles that cover water savings including the Utility Emergency Assistance Program. She shared actions the City Commission took at their last meeting, including purchase of the Booby Trap, which will be demolished.
Utility Billing
Ms. Margraf reported there are no issues at this time; all is going well.

Sustainability Report
Ms. Gulden reported press releases announcing the Toyota grant workshops have been issued. Beginning Jan 1, Sustainability will be taking over the Electric Conservation Program.

Action Items
- Septic tank maps
- Residential bill comparison
