No public input.

Larry Cole gave his Investment Summary Report:

- For the quarter, the Plan earned $744K or +1.94% (+1.88% net), in-line with the strategic model (+1.94%). Both domestic large and mid-cap stocks, convertibles, MLPs, core fixed-income, and TIPS experienced modest gains. International equities trailed domestic stocks. The four best performing asset categories were Westwood MLP (+4.4%), BNYM mid-cap passive (+3.0%), Advent Convertibles (+3.0%) and Westwood large-cap value (+2.6%). The TIPS earned +2.1%, ahead of core-bonds (+1.9%).

- Fiscal year-to-date, the Plan earned $3.0 million or +7.9% (+7.8% net), ahead of the strategic model (+7.2%). The out-performance came from Westwood MLP and EuroPacific international. The three best performing asset categories were BNYM large-cap passive (+12.5%), Westwood large-cap (-12.2%), and BNYM mid-cap passive (+11.6%).

- For the three-year period, the Plan earned $9.1 million, averaging +8.7% (+8.4% net), per year. For the five-year period, the Plan earned $19.6 million, averaging +13.5% (+13.2% net), per year. While the three and five-year rankings were below the 40th percentile, strong improvement has been experienced during the two years.
• At the 2/6/14 meeting, the Board approved BCA's recommendation to increase the MLP allocation to the target of 5% (or $1M) which was completed on 3/5/14, with sources of funding derived from (Westwood LCV: $224K; BNYM LC: $438K; BNYM MC: $139K; and BNYM SC: $248K).

Larry Wilson gave the Actuarial Valuation Report.

The October 1, 2013 Actuarial Valuation determines the minimum required contribution for fiscal year ending September 30, 2015.

The minimum required contribution for the fiscal year ending September 30, 2015 is $2,589,887. 66.4% of covered annual payroll (non-DROP) for fiscal year ending September 30, 2015 based upon projected covered annual payroll (non-DROP) for fiscal year ending September 30, 2015 - $3,898,445.

Member contributions will be 6.0% of covered payroll (non-DROP) for fiscal year ending September 30, 2015 - anticipated to be $233,907 and anticipated allowable State contributions will be 6.9% of covered payroll (non-DROP) for fiscal year ending September 30, 2015 ($268,589) leaving a City requirement of $2,087,391 - 53.4% of covered payroll (non-DROP) for fiscal year ending September 30, 2015. If State contributions are less than $268,589, the City will be required to make up the difference.

The net smoothed actuarial value of assets as of October 1, 2013 is $38,990,049. The net market value of assets as of October 1, 2013 is $40,745,179.

There are 63 active members and 74 inactive members (including DROPs) as of October 1, 2013. Smoothed actuarial value net investment return was 9.21% - more than the assumed rate of 8.25%. Market value rate of return was 12.51%.

Plan expenses were 50 basis points of the mean invested market value of assets during fiscal year ended September 30, 2013.

The System experienced an actuarial gain of $366,868 during fiscal year ended September 30, 2013. Investment return (smoothed actuarial value) and salary increases were sources of actuarial gain - employee turnover was generally an offsetting source of actuarial loss.

The actuarial assumptions for investment return, retirement rates, withdrawal rates and salary increases have been updated based upon an Experience Investigation covering the period October 1, 2007 through September 30, 2012.

The City contributed in excess of the minimum required City contribution for fiscal year ended September 30, 2013. As requested, this excess City contribution is held in reserve as a funding credit available to be used by the City to reduce future City contributions.

Government Accounting Standards Board (GASB) Statement No. 67 actuarial information is included. GASB 67 actuarial information must be trued-up as of September 30, 2014.

Scott Christiansen gave his report:

Scott gave an update to all legislative charges to plans 175/185. There were none at this time.
