Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare): This ordinance arises from an opportunity for the Orange County School Board to partner with Habitat for Humanity to develop single-family homes on the northern portion of the former Orange Technical College property located at 901 W. Webster Avenue. The property is currently zoned Public and Quasi-Public (PQP), which does not allow residential development except as accommodations associated with permitted institutional uses, such as college dormitories, hospital beds, nursing homes, or assisted living facilities. This ordinance proposes a zoning text amendment to the PQP district to add a new permitted use allowing detached single-family dwelling units developed in accordance with the R-1A development standards established in Section 58-65(f) of the City Code, specifically to facilitate this affordable housing partnership.
