SECTION II. Loan Application Authorization. The City Commission of City of Winter Park, Florida, hereby authorizes its City Manager to apply for and seek approval from the State of Florida Department of Environmental Protection under the State Revolving Fund Program for up to $19,166,503 to finance the construction, equipment, materials, demolition and related procurement for the Project and for the cost of issuance of such debt. executing the same, with such execution to constitute conclusive evidence of such officer's approval and the City's approval of any changes therein from the form of the Loan Agreement attached to this Ordinance.

(2) The Local Government currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

A Final Amendment establishing the final Project and the Loan Service Fee based on actual Project costs shall be completed after the Department's final inspection of the Project records.

8.06. ABANDONMENT, TERMINATION OR VOLUNTARY CANCELLATION.

Failure of the Local Government to actively prosecute or avail itself of this Loan (including e.g. described in para 1 and 2 below) shall constitute its abrogation and abandonment of the rights hereunder, and the Department may then, upon written notification to the Local Government, suspend or terminate this Agreement.

At a minimum, if practicable, the subrecipient should spot check payroll data within two weeks of each contractor or subcontractor's submission of its initial payroll data and two weeks prior to the completion date of the contract or subcontract. Local Governments must conduct more frequent spot checks if the initial spot check or other information indicates that there is a risk that the contractor or subcontractor is not complying with Davis-Bacon. (3) The Local Government shall periodically review contractors' and subcontractors' use of apprentices and trainees to verify registration and certification with respect to
