The City of Winter Park's construction update for Fairbanks Avenue.

**October 18, 2012**

## **Project update**

### **Jackson Avenue**

On Friday, October 26, Jackson Ave. will be CLOSED – LOCAL TRAFFIC ONLY between Fairbanks Ave. and Minnesota Ave. This closure is required for the construction of a lift station, terminal manhole, gravity sewer main and the force mains on Jackson Ave.

Between Minnesota Ave. and the proposed lift station, Jackson Ave. should be open to local traffic. However, there will be times when Jackson Ave., between the lift station and Fairbanks Ave., will be closed to all traffic due to the depth of the sewer being installed and the limited width of the available right of way.
