The City of Winter Park's construction update for Fairbanks Avenue.

Project update

March 14, 2013

- Continued installation of gravity sewer and force main on Fairbanks. Sewer installed just west of Formosa Street (day & night work).
- Continued construction of street light foundations. As of March 6, 18 of the 44 cast in place, concrete light pole foundations had been poured.
- Continued directional drilled installation of street lighting conduit. Installation is complete except for Fairbanks Avenue crossing at Happy Panda.
- Installed pump guide rails in wet well on Jackson Avenue.

Stay informed
