The City of Winter Park's construction update for Fairbanks Avenue.

Project update

April 2, 2013

- Continued installation of gravity sewer and force main on Fairbanks Avenue (day & night work). Sewer installed up to manhole #2 (near Cambridge Avenue).
- Continued construction of street light foundations and hand holes. All 8'x6' cast-in-place, concrete light pole foundations have been constructed. Only a single, pier-type light pole foundation remains to be installed.
- Completed directional drill installation of street lighting conduit. Continued installation of HDD conduit for signalization.
- Continuation of grouting invert manholes.

Stay informed

- Updates to the construction schedule will be posted regularly on the Fairbanks web page cityofwinterpark.org/fairbanks.
- To receive **email updates** follow these steps:
 - Visit the Fairbanks web page cityofwinterpark.org/fairbanks
