

Thank you for your continued interest in receiving Park Avenue Refresh project information. Park Avenue is the city's crown jewel and the goals of this multi-year project are to:

- Maintain the charm & warm, inviting environment
- Enhance safety & aesthetics
- Strengthen infrastructure (electric, smart city & irrigation)
- Provide a consistent look for the Avenue's hardscape, landscape & architectural elements

The project team's first meeting with the City Commission was January 23. During the work session, city staff and representatives from Stringfellow Planning & Design met with Mayor Sheila DeCiccio and City Commissioners to review conceptual designs for the overall vision of the Park Avenue Refresh Project. To watch a [recording](#) of the meeting or review the [presentation](#) visuals, please access the Project Information tab listed on [cityofwinterpark.org/ParkAveRefresh](http://cityofwinterpark.org/ParkAveRefresh).

Based on the feedback offered at the work session, staff and consultants have reviewed the Commission's recommendations. An updated presentation will be made by the project team at the City Commission meeting scheduled for Wednesday, February 26, at 3:30 p.m., in City Hall Commission Chambers located at 401 S. Park Ave. The presentation will include the scope of Phase I and recommended hardscape and landscape selections for consideration. An updated project timeline will also be provided for the ongoing Phase 1 efforts.

You can attend in person or register to watch the meeting online. To view the agenda or register to attend the meeting virtually, please access the [Commission Meeting Overview](#).

You will receive updates when there is new information available to share as this project progresses. All Park Avenue Refresh updates and information will be accessible at [cityofwinterpark.org/ParkAveRefresh](http://cityofwinterpark.org/ParkAveRefresh). Please share this with your interested

neighbors, colleagues and friends. If you have any questions please email, [ParkAveRefresh@cityofwinterpark.org](mailto:ParkAveRefresh@cityofwinterpark.org).
