Winter Park storm information

LAKE ALERT: ALL WINTER PARK LAKES ARE CLOSED

as of Friday, September 30, 2022 @ 6:30 p.m.

- Due to the extremely high water levels, ALL Winter Park lakes are closed until further notice.
- Please refrain from boating, jet skiing and any other motorized water sports at this time.
- The wake created by boats, jet skis, etc., are causing serious damage to property due to the current high water levels.
- The city will distribute notification when the lakes are back open.

Thank you in advance for your patience and understanding.
