Burglaries in Winter Park under investigation

By Amy L. Edwards, Orlando Sentinel

Winter Park police said today they have identified nine suspects in a series of burglaries that occurred in the southern part of the city.

One of those suspects, a 17-year-old, was arrested last week in Tampa. Police say the teen was in a vehicle that was reported stolen in Winter Park.

The *Orlando Sentinel* is not naming the teen because he is a juvenile.

Winter Park police said officers have already devoted hundreds of hours investigating the burglaries.

Items were taken from homes and vehicles were stolen.

Several similar burglaries are also under investigation by Orlando police and the Orange County Sheriff's Office for incidents in their respective jurisdictions.

Winter Park police said they expect charges will be filed against the suspects in the near future.
