September utility bill insert

## How do our electric rates look?

The city is proud to show that its electric utility rates continue to be one of the lowest in the state. Please note the chart below showing 1,000 kWh Residential Bill Comparisons for Florida municipal utilities with customer counts between 5,000 and 100,000, including neighboring Orlando Utilities Commission (OUC) and Duke Energy® of Florida for June 2023.

## Join us for CoffeeTalk

Mark your calendars to join your city leaders for a cup of conversation and coffee at this year's CoffeeTalk series. Unable to attend in person? Virtual link registration will be available approximately one week prior to each date by accessing [cityofwinterpark.org/meetings](https://cityofwinterpark.org/meetings).

## Free tree delivery

The Urban Forestry Division has partnered with the National Arbor Day Foundation and Florida Forest Service to showcase the Community Canopy Program. Winter Park residents can order a FREE tree by accessing [cityofwinterpark.org/urbanforestry](https://cityofwinterpark.org/urbanforestry) and clicking on the Community Canopy Program Information tab, beginning Tuesday, September 5, through Saturday, November 25 (while supplies last). City residents have the option to choose from several different tree species including red maple, sweet bay magnolia and Muskogee crape myrtle. The one-gallon containered tree will then be delivered directly to each resident's doorstep along with instructions on planting and care.

For additional information regarding the city's tree canopy efforts, please contact [urbanforestry@cityofwinterpark.org](mailto:urbanforestry@cityofwinterpark.org).
