Free trees delivered to Winter Park residents' doorsteps

The spring 2024 season Community Canopy tree ordering window is now open! The species available include persimmon, live oak and chaste tree (Shoal Creek). Place your tree order by scanning the code and help keep Winter Park's Tree City USA® designation.

In April 2022, the city's Urban Forestry Division launched the Community Canopy Program through a partnership with the Arbor Day Foundation and Florida Forest Service. This program offers Winter Park residents free one-gallon trees delivered directly to their doorstep. Since launch, the city has distributed 1,200 trees.

save these dates

may 2 or 3 north of Fairbanks/Aloma avenues corridor

may 9 or 10 south of Fairbanks/Aloma avenues corridor

after 5 p.m. set bulky items out [appliances, furniture, etc.] the evening before your second regularly scheduled trash pickup day
