

# info & updates

April utility bill insert

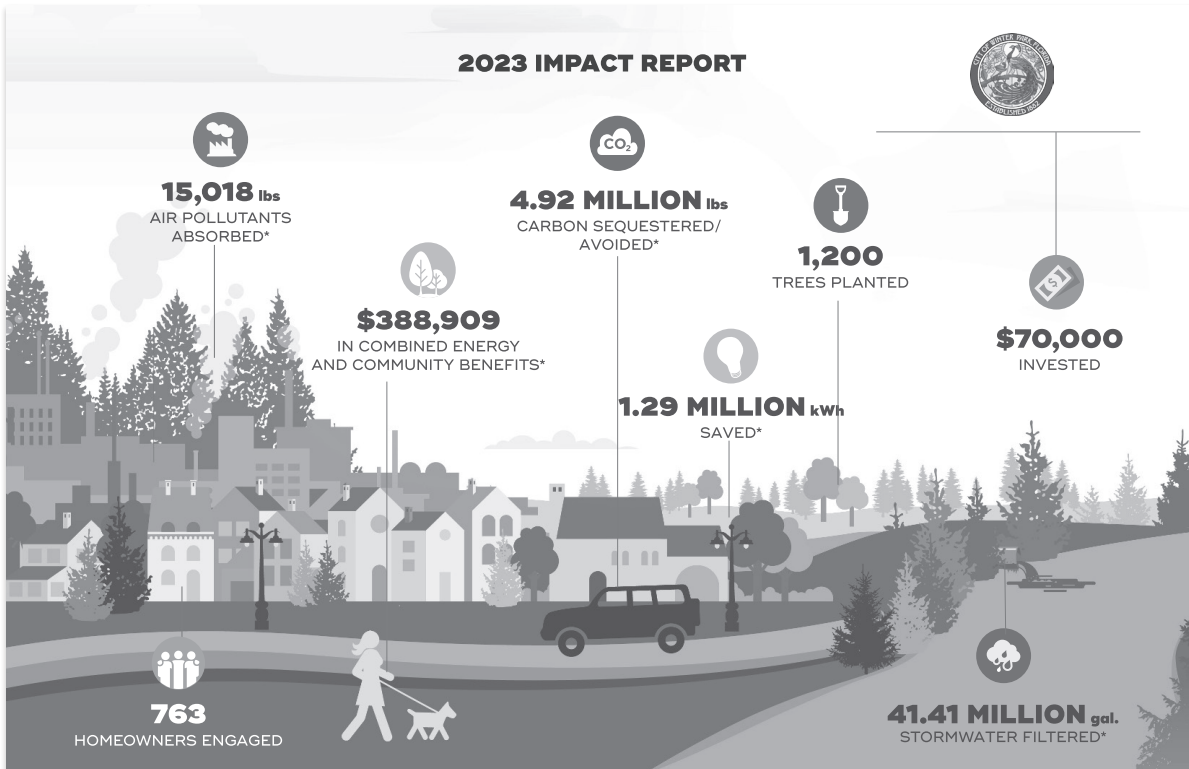

## Free trees for city residents now available

The spring 2024 season Community Canopy tree ordering window is now open! The species available include persimmon, live oak and chaste tree (Shoal Creek). Place your tree order by scanning the code and help keep Winter Park's Tree City USA® designation.

### 2023 IMPACT REPORT

Established Fall 2022  
\*projected 20-year cumulative values

In April 2022, the city's Urban Forestry Division launched the Community Canopy Program through a partnership with the Arbor Day Foundation and Florida Forest Service. This program offers Winter Park residents free one-gallon trees delivered directly to their doorstep. Since launch, the city has distributed 1,200 trees.
