April utility bill insert

## Congratulations to the city's Electric Utility!

The city's Electric Utility Department was among 17 Florida public power utilities to receive the Florida Municipal Electric Association (FMEA) Safety Award of **Category A for a Perfect Safety Record**. The award was presented at the end of February at the Florida Lineman Competition awards banquet in Ocala. Thank you to our line workers and power crews for their hard work and commitment to safety.

## Park Avenue Refresh

Park Avenue is the epicenter of Winter Park's culture, charm and economic vitality. The last Park Avenue streetscape restoration occurred between 1996 and 1999. Now, almost 30 years later, the city's main street will be undergoing a refresh to provide for today's as well as tomorrow's needs.

### overall goals

- Maintain charm & warm, inviting environment
- Enhance safety & aesthetics
- Strengthen infrastructure (electric, smart city & irrigation)
- Provide consistent look for hardscape, landscape & architectural elements along the Avenue

The project is expected to kickoff this summer with the installation of two historic gateway signs located at Park & Fairbanks avenues and Park & Webster avenues. If you would like to receive project updates, please access [cityofwinterpark.org/parkaverefresh](https://cityofwinterpark.org/parkaverefresh) and sign up for email updates.
