The City of Winter Park realizes that tragedy can strike at any time. Whether it is a personal or family crisis, city residents can suddenly find themselves at the risk of unpaid bills and losing their utility service among other things. To help city residents through these times of struggle, the city created the “Winter Park Emergency Utility Assistance (EUA) Program,” to provide emergency assistance to those in need.

Because emergencies happen unexpectedly and suddenly, this program gives neighbors the chance to help neighbors through donations to the program. All donations are collected by the City of Winter Park and turned over to United Way 2-1-1 for distribution. United Way 2-1-1 is a department of the Heart of Florida United Way, a local, non-profit community assistance agency that has partnered with the city to help customers locate an agency near their home so eligibility and need may be determined.

Choose from three ways to donate

1. Add a monthly contribution to your utility bill
 payable to the City of Winter Park Emergency Utility Assistance Program
2. A one-time contribution payable to the City of Winter Park Emergency Utility Assistance Program
3. Through your current United Way donation by designating specific funds to the City of Winter Park Emergency Utility Assistance program

If you would like to contribute to the Winter Park EUA Program to help your neighbors in need, fill out the enrollment form {right} and mail in or drop off at City Hall located at 401 S. Park Ave. You can also contribute by visiting cityofwinterpark.org/EUA or request a form to be mailed to you by calling 407-599-3220.

If you are a Winter Park utility customer who is experiencing a financial emergency and in need of assistance, please call United Way 2-1-1. A household can receive a maximum benefit of \$650 in a one-year period. This program was created specifically for those customers experiencing a temporary financial hardship as a result of an emergency, not for customers with chronic or long-term financial needs.

For more information about the EUA Program, please contact Utility Billing Customer Service at 407-599-3220 or customer_service@cityofwinterpark.org. If you are a Winter Park utility customer in need of assistance, please call United Way 2-1-1 or access hfuw.org/utilities.
