Middle America

by Matthew Cornell
painting | 2013

» Childhood memories of road trips across the United States, are the underlying inspiration for many of Cornell's works; a self-described search for "home."

» Cornell's small-town works are an amazing study in the use of light. It instantly and consistently draws the viewer into each piece, creating a feeling of mystery and intrigue in the nighttime glows.

orange county people with special needs program

If you or a family member requires evacuation and/or sheltering assistance due to physical, mental or cognitive impairments, or sensory disabilities, it is important that you sign up for the Orange County People with Special Needs Program. Register by:

- Completing the online registration form by accessing ocfl.net/psn.
- Calling Orange County's **311 hotline** or **407-836-3111**.

- Asking your home health agency, hospice agency, medical equipment supplier or senior social service agency to register you.

important reminder Registration with Orange County's Special Needs Program DOES NOT make your property a higher priority for restoration. Customers with special needs should make utility arrangements in advance to move to a location where their needs can be met.
