

## **FOR IMMEDIATE RELEASE**

### **Winter Park Lifelong Learning Foundation announces exciting, inaugural programs**

*Winter Park, FL – September 10, 2024*

Winter Park Lifelong Learning Foundation (WPLLF) is a non-profit focused on providing education to the Winter Park community and the modern adult. Following a long gap in consistent adult education programs in Winter Park, WPLLF has taken the initiative to reintroduce highly demanded courses taught by professionals, academics, humanitarians, and local talent.

For their launch, Winter Park Lifelong Learning Foundation is thrilled to unveil its dynamic lineup of educational programs and community initiatives for the Winter Park community. Designed to foster continuous growth and intellectual enrichment, these offerings highlight WPLLF's commitment to bring relevant education to modern adults and empower younger generations to pursue higher learning.

WPLLF's 2024 trimester includes a diverse range of courses and workshops, featuring expert instructors and thought leaders from various fields. From interactive courses on cutting-edge technology, finance, and sustainability to creative arts classes and health and wellness workshops, there will be something for everyone to explore and enjoy as the Winter Park Lifelong Learning Foundation continues to settle into their role in the community.

"We are excited to offer a wide range of programs that cater to the diverse interests and needs of our community," said Dan Zagata, Board of Directors of the Winter Park Lifelong Learning Foundation. "Our goal is to provide enriching experiences that foster personal development and lifelong curiosity."

In addition to these new offerings, WPLLF will immediately start its tradition of partnering with local community colleges to extend its reach and impact within the Winter Park community. We believe that an education should never be disrupted solely due to economic difficulty.

#### **About the Winter Park Lifelong Learning Foundation**

Winter Park Lifelong Learning Foundation believes strongly in the power of education and the cycle of knowledge and experience between all generations. Through a variety of educational courses, seminar series, and community events, WPLLF seeks to enrich lives, inspire creativity, and build a vibrant, informed community. Every dollar of our collected tuition is given back annually to local community colleges to help students in financial need continue their studies.
