With a focus on elevated aesthetics and curated luxury, 2025 Designer Showcase will feature stunning designer-curated vignettes, each uniquely envisioned and meticulously brought to life. Featured design partners include Andrew McGowen, Porte Rouge/ASM Interiors; Lindsay Matteoni, MSTR Studio; Kelly McFall, Artisan Kitchen & Bath Gallery; and Kim Lummus, Kim Lummus Interiors.

"To me art is not just decoration, it has the ability to infuse a space with depth and emotion. Our collaboration with Solana Fine Art was a natural fit, due to their vast selection of diverse media, it has allowed us to curate distinctive pieces that reflect the individual style and taste of our clients," said Andrew McGowen, Owner and Principal Designer of Porte Rouge/ASM Interiors. "We hope you immerse yourself into the showcase and discover how the right piece of art can ignite your imagination and inspire your next design adventure."

"As an industry partner, cultivating meaningful relationships is vital to elevating the design aesthetic to extraordinary heights. MSTR Studio is profoundly grateful to have partnered with three highly esteemed local businesses to create this vignette for Solana Fine Art. We appreciate the ongoing support of Slone Brothers Furniture, Knight Flooring, and LBU Lighting Winter Park." said Lindsay Matteoni, Allied ASID, Interior Designer and Muralist, MSTR Studio.

"I am thrilled for the opportunity to showcase my design aesthetic enhanced with the vast array of beauty at Solana Fine Art," said Kim Lummus, owner of Kim Lummus Interiors. "Art selection is always in the forefront of my design process, using it to convey a feel, set a tone, and breathe life into a space that is reflective of individual taste. The cohesive selection of design elements and art provides the perfect canvas to elevate a space into a true experience. The extensive and varied collection that Solana Fine Art studio offers allows me to achieve my mission to transform spaces into personal sanctuaries."

"Your primary bath is your sanctuary; the place that you escape the stresses of the day. When designing the primary bath, one doesn't think about incorporating fine art," said Kelly McFall,

profit center manager, Artisan Kitchen & Bath Gallery. “In our vignette, I have taken the spa-like luxuries of the bath and tied it all in with fine art from Solana. The striking black and gold, accented by the rich oranges and blues, this room transforms from an ordinary bath into a sanctuary; a place to pamper yourself. Artisan Kitchen and Bath Gallery is honored to display our talents, along with fine art from Solana, and gorgeous accessories from Angela Neel interiors.”

The exhibition will launch with an Invitation-Only Opening Reception on Friday, May 16, offering an opportunity to explore these immersive spaces while engaging with the designers and artists behind the work.

“This showcase is about more than just art and design—it’s about the magic that happens when the two seamlessly come together,” said Bob Jimenez, founder and gallerist at Solana Fine Art. “Each vignette tells a story, demonstrating how thoughtfully selected art can elevate a space, add personality, and create an atmosphere that resonates with emotion and style.”
