Solana Fine Art Also Welcomes Renowned Watercolorist Ellen Kaiden

Winter Park, FL – March 25, 2025 – Solana Fine Art is delighted to welcome the season of renewal with **In Full Bloom: The Spring Show**, a stunning exhibition celebrating the beauty, vibrancy, and energy of spring. Running from **April 4 through May 10**, this collection showcases an extraordinary spectrum of color, with artwork that embodies the spirit of growth, transformation, and artistic expression.

To further enhance this celebration of color and creativity, **Solana Fine Art is partnering with Winter Park's premier jeweler, Be On Park, for an exclusive Jewelry Trunk Show.** This collaboration brings together **fine art and exquisite jewelry**, featuring an array of radiant gemstones and intricate designs that perfectly complement the exhibition's dynamic and expressive works.

Featuring Acclaimed Artists:

- **Cal Breed** – A renowned glass artist, Cal Breed creates breathtaking hand-blown glass pieces that reflect the organic beauty of nature. His fluid forms and rich, radiant colors evoke the essence of spring's renewal, capturing the interplay of light and transparency in stunning, sculptural designs.
- **Elizabeth Fischer Chapman** – Known for her expressive use of color and texture, Elizabeth Fischer Chapman's paintings invite viewers into a world of vivid abstraction and deep emotion. Her work often explores themes of nature and transformation, making her an ideal artist to celebrate the vibrancy of spring.
- **Wyanne Thompson** – A celebrated mixed-media artist, Wyanne Thompson infuses her whimsical, yet powerful, works with an unmistakable sense of joy and resilience. Despite overcoming a battle with cancer that took her voice, Wyanne continues to create art that speaks volumes—bursting with life, color, and an undeniable sense of optimism.

“This show is a true celebration of the season—bold, vibrant, and full of life,” said **Bob Jimenez, founder and gallerist of Solana Fine Art.** “Pairing these works with the exquisite craftsmanship of Be On Park's jewelry allows us to create an immersive experience that blends art, luxury, and timeless beauty.”

“We are honored to be collaborating with Solana Fine Art to bring the best of spring in full bloom. We look forward to the incredible mix of artists featured.” Says owner and entrepreneur Emily Dowling Williams of Be On Park. “Jewelry and art are an expression of your style...what better way to welcome the spring season than with beautiful art & fine jewels?”

Solana Fine Art Welcomes Renowned Watercolorist Ellen Kaiden

In addition to the stunning array of artwork featured in *In Full Bloom: The Spring Show*, Solana Fine Art is delighted to welcome celebrated watercolor artist Ellen Kaiden to our gallery. Known for her masterful technique and ability to infuse life, movement, and emotion into her work, Kaiden brings a fresh and vibrant perspective to our collection.

"I am drawn to watercolor as a medium because it is spontaneous and uncontrollable," says Kaiden. "Every subject I paint carries a deeper meaning, a story waiting to be told. My paintings are metaphors—full of life, movement, and depth."

Kaiden's unique approach to watercolor has drawn comparisons to legendary glass artist Dale Chihuly, as her paintings transform small details into grand, expressive works. Working in the "Wet on Wet" technique, she builds layer upon layer, creating depth and mystery while guiding the viewer's eye with precision and purpose.

"We are thrilled to showcase Ellen's incredible work at Solana Fine Art," says Bob Jimenez, founder and gallerist. "Her ability to capture motion, color, and emotion in watercolor is truly exceptional. Her paintings are not just beautiful—they tell stories and evoke profound emotions, making them a perfect addition to our gallery."

Ellen Kaiden's work will be featured alongside the *In Full Bloom* exhibition, offering art lovers an opportunity to experience her breathtaking creations in person.

Whether you're an avid art collector, a jewelry enthusiast, or simply seeking inspiration, this exhibition offers a **feast for the senses**. Admission is free, and all are welcome.
