PRESS RELEASE

City cancels road closures for “Dads & Grads” weekend in downtown Winter Park

WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (June 15, 2020) Due to a number of health and safety factors, the city has made the decision to cancel the road closures originally scheduled for “Dads & Grads” weekend Friday, June 19 through Saturday, June 20.

Although the roads will not be closed, restaurants and retail will still be open for business. On June 5, Governor Ron DeSantis entered into Phase 2 of Florida’s Recovery Plan and issued [Executive Order 20-139](#). The executive order now allows restaurants to operate at 50% of their indoor capacity and outdoors with appropriate social distancing. Retail may operate at full capacity with responsible social distancing and sanitation protocols.

The city extends its sincere congratulations to all 2020 grads and expresses deep appreciation to all dads this Father’s Day weekend.
