PRESS RELEASE

City partners with Florida Department of Health in Orange County to provide COVID-19 vaccinations at Winter Park Farmers' Market

WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (July 13, 2021) The City of Winter Park is partnering with [Florida Department of Health in Orange County](#) to provide Pfizer and Johnson & Johnson (J&J) COVID-19 vaccinations at the [Winter Park Farmers' Market](#), **Saturday, July 17, and Saturday, August 7, from 8 a.m. to 1 p.m.** The Farmers' Market is now located in the Central Park West Meadow at the corner of New York Avenue and Morse Boulevard.

The Pfizer vaccination, first dose and second dose of the two-dose series (vaccination card required) **and** the single dose J&J vaccine will be administered on August 7, at the Farmer's Market. The first 50 people to receive vaccinations on each day will receive a FREE \$10 grocery coupon.

According to Winter Park Mayor Phil Anderson, "We are happy to partner with Florida Department of Health in Orange County to bring vaccinations to our community so everyone has the opportunity to protect themselves during these challenging times of COVID-19."

For more information regarding this COVID vaccination opportunity in Winter Park, please contact [407-858-1498](tel:407-858-1498).
