## PRESS RELEASE

### City presents "Make Every Day Earth Day: Listen, Learn, Take Action"

**WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (April 14, 2021)** The City of Winter Park will proudly celebrate Earth Day with "Make Every Day Earth Day: Listen, Learn, Take Action." The month-long celebration, presented by the city's Sustainability Program and Keep Winter Park Beautiful (KWPB), will feature a **Weekly Video Series, Waste Collection Drive-Thru Event, and much more!**

#### **Weekly Video Series: Thursday, April 22, thru Thursday, May 20**

Each week, featured videos will focus on protecting plants & animals, preserving resources, and sustainable living practices. Videos will be made available each Thursday on the city's [Facebook](#), [Vimeo](#) and [YouTube](#) pages.

#### **Waste Collection Drive-Thru Event: Saturday, May 22, 8 a.m. to noon (two locations)**

Location 1: City parking lot located at Palmetto Avenue and Denning Drive.

- **Household Hazardous Waste Collection**

Location 2: Mead Botanical Garden located at 1300 S. Denning Drive.

- **Electronic Waste Collection/Document Shredding/Arbor Day Tree Giveaway**
- **Make-at-home crafts, reusable giveaways and educational information** will be provided by Keep Winter Park Beautiful, the Parks & Recreation Department Family Fun Program, and Mead Garden, Inc.
- **Pick up a free one-gallon containerized tree to plant at home.** In celebration of Arbor Day, certified arborists from the city's Urban Forestry Division will be on-site to answer questions.

Founded by U.S. Senator Gaylord Nelson in 1970, Earth Day is designed to inspire awareness and appreciation for the earth's environment. These Earth Day activities will showcase how the city and KWPB are working to make Winter Park more sustainable.
