## PRESS RELEASE

### Students join together in unity for Winter Park's 18<sup>th</sup> annual "Trees for Peace" event

**WINTER PARK, FL, an internationally recognized, award-winning city with multiple accredited agencies (March 15, 2021)** The City of Winter Park and the Multifaith Education Project are proud to announce the **18th annual Trees for Peace Interfaith Tree Planting Project, Tuesday, March 23**, in Mead Botanical Garden, located at 1300 S. Denning Dr., at **11 a.m.** The program will be led by Debbie Medina, director of The Multifaith Education Project, and include remarks by a city official and Urban Forestry Superintendent Joshua Nye.

Over 50 Christian, Jewish and Muslim students and faculty, representing The Geneva School, Jewish Academy of Orlando, and Leaders Preparatory School, will join together to plant trees for peace. In recognition of their commitment to work together in the spirit of unity, the students will plant native trees and bless them in traditional manner according to each faith.

The City of Winter Park's Urban Forestry Division will supervise the students in planting the trees. In addition, the division will donate a tree to each school so the students can hold their own tree-planting ceremony on their respective school properties to remind them of this event for years to come.

This unique tree-planting project represents a continuing effort to encourage children to appreciate diversity while building positive relationships with people of other faiths. The "Trees for Peace" project is also dedicated to teaching students to be "stewards of the earth" by learning lessons about environmental responsibility from each faith and sharing them with one another.
